

Peer Review Incentive Program

Application & Instructions

The OSPR will provide funding as follows (**subject to the availability of funds**):

- A \$750 stipend will be provided to a faculty member who serves on a federal review panel. This will be in addition to any compensation that is provided by the federal agency.

Please complete the application below and submit to ospr@towson.edu. The application must be submitted four weeks prior to serving on the panel. Questions can be directed to OSPR at 410-704-2236 or ospr@towson.edu.

APPLICATION FOR FEDERAL REVIEW PANEL STIPEND

Applicant Name:

Department:

Panel Agency (ex: NSF, NEH, etc.):

Panel Program:

Panel Date(s):

Please use the space below to explain why this particular panel is of interest to you and your plans for a future grant proposal (2-3 sentences).

-
- After participating in a review panel, the OSPR asks that you are willing to share information from your experience with another faculty member who would be applying for the same and/or similar grant.
 - If the OSPR hosts a session or workshop on grant seeking, your willingness to share what you learned from participating in the peer review panel would be greatly appreciated.
