Department of Computer and Information Sciences

Information Technology Doctoral Program Exit Survey
2021

Now that you are near the end of your academic career in the IT doctoral program here at Towson University, we would very much appreciate receiving some feedback as to your perception of preparedness for your forthcoming career.

The information you provide here will be kept confidential, and is of vital importance in identifying the department's strengths and weaknesses.

For each of the following questions, please mark the appropriate response (strongly agree, agree, neutral, disagree, or strongly disagree).

Please fill in the following information, and complete the exit survey beginning on the next page.

Your participation is greatly appreciated!

Sincerely,

Dr. Chao Lu, IT Doctoral Program Director

_____
