Re: Employee Safety Programs Manual & Campus Asbestos
Containing Material (ACM) Locations

Towson University, in its commitment to the preservation of employee health and safety, is providing on-line for your reference the Employee Safety Programs Manual, which provides general policies and/or procedures regarding occupational and environmental safety that are to be followed, and a list of campus facilities where asbestos containing materials (ACM) are located. They can be accessed/viewed on EHS's web site at <http://wwwnew.towson.edu/adminfinance/facilities/ehs/EmployeeSafetyProgram.asp>. Please review each and familiarize yourself with their contents. Should you have any questions, contact Environmental Health and Safety (EHS) at x4-2949.

Please sign the bottom of the form and return to EHS.

I, the undersigned, acknowledge it is my responsibility to review the above information in its entirety, and to familiarize myself with their contents.
