Towson University
Financial Verification Documentation

- The United States Citizenship and Immigration Services (USCIS) requires U.S. colleges and universities to obtain original certification of an international student’s financial resources in order to issue the Form I-20. The Form I-20 is the Certificate of Eligibility for Non-Immigrant (F-1) Student Status. Applicants must demonstrate that they have enough funds to afford all expenses for at least their first year of study. The statement below must be completed and endorsed by the student’s financial sponsor(s) and submitted with evidence of the sponsor’s financial ability to the International Student & Scholar Office.
- The student should keep a photocopy of this completed form, because evidence of sponsor’s willingness to support the student will also need to be shown to a U.S. Consular Officer at the time of application for an F-1 visa.
- The student can sponsor him/herself.
- There may be more than one financial sponsor or source of funding. In that case, a Statement of Willingness must be submitted by each of the student’s sponsors.
- A letter may be submitted instead of this form if it contains identical information.
- The financial documents must be current (issued within the last 6 months) proof of liquid funds (i.e. no unsecured loans, stocks, property, salary statement, etc.). They must also be original documents.
- For information regarding the specific amount that must be shown on your financial documents, please refer to the ISSO Expenses & Financial Aid Website (http://www.towson.edu/isson/finances.asp).
