

Best Practices Awards

The University Assessment Council recognizes the undergraduate and graduate programs for its best practice in each of the four assessment criteria: learning goals, teaching and learning strategies, assessment methods, and use of results.

Year	Learning Goals	Teaching and Learning Strategies	Assessment Methods	Use of Results
AY 2009-10			Communication Studies Undergraduate Program	
AY 2009-10			Early Childhood Education Undergraduate Program	Early Childhood Education Undergraduate Program
AY 2009-10		Early Childhood Education Master's Program		
AY 2009-10		Elementary Education Undergraduate Program		
AY 2009-10		Elementary Education Master's Program		
AY 2009-10		Economics Undergraduate Program		
AY 2009-10	Family Studies Undergraduate Program	Family Studies Undergraduate Program	Family Studies Undergraduate Program	
AY 2009-10	Foreign Language Undergraduate Program	Foreign Language Undergraduate Program		
AY 2009-10	Human Resources Management (Educational Leadership) Master's and Certificate Programs	Human Resources Management (Educational Leadership) Master's and Certificate Programs	Human Resources Management (Educational Leadership) Master's and Certificate Programs	
AY 2009-10		Health Science Master's Program	Health Science Master's Program	Health Science Master's Program
