AGENCY GOALS & OBJECTIVES:

Anne Arundel Medical Center (AAMC), a regional health system headquartered in Annapolis, Md., serves an area of more than one million people. Founded in 1902, AAMC includes a 385-bed not-for-profit hospital, a medical group, imaging services, a substance use treatment center, and other health enterprises. In addition to a 57-acre Annapolis campus, AAMC has outpatient pavilions in Bowie, Kent Island, Odenton and Waugh Chapel.

AAMC is nationally recognized for its joint replacement center, emergency heart attack response and cancer care. A leader in women's services, AAMC delivers the state's second highest number of births annually and has a Level 3b neonatal intensive care unit.
DEPARTMENT GOALS AND OBJECTIVES:

Improve the health of the community we serve through education and outreach.

CRIMINAL BACKGROUND CHECK REQUIRED? Yes _X__  No___

INTERNSHIP INFORMATION (How might your organization use and improve a health education student’s skills and knowledge?):

The student will be asked to:
- Provide education at health fairs
- Teach, with supervision, programs/ classes
- Develop newsletters or other promotional materials
- Support on-going programs by running registration, greeting patients, coordinating event plans
- Attend meetings, conferences, planning programs with supervisor

We can provide hands on training that incorporates the students knowledge into a practicum.

INTERN INFORMATION (What are the skills and qualities you seek in an intern?):

We look for well spoken, smart, engaging, proactive students who want to work with diverse patient groups.

OTHER INFORMATION (Parking problems? Need for night/weekend availability? Things a student should know before an interview?):

Parking is free. We do ask for evening and weekend flexibility as most events are held during that time.
