

Welcome to Towson University REGISTRATION!

As a student at Towson University, you will be able to use our Web Based Student Records System, **Towson On-Line Services** (TOS), to manage your Student Records. At TOS you will be able to accept and modify Financial Aid, Register for Classes and confirm your Personal Demographic Information as well as many other features.

All you need to enter TOS is your Towson ID.

To Activate Your Account for Towson Online Services

1. Use a web browser (preferably Microsoft Internet Explorer version 6.0+) to open the student portal at **<http://students.towson.edu>**
2. Click the **Towson Online Services** link in the column on the right side of your screen. (****You may need to scroll your page over to the right to see this column.*)
3. Click on **Activate Your Account**. Answer the questions on the page to receive your Tiger account and Password. [*If you are an international student without a Social Security number, please put "GRIN" in the Social Security number field. If you are international or domestic and you have a Social Security number but did not provide it to the graduate school at time of application, please put "ADGR" in the Social Security number field.*]
4. Log in using your New Tiger account information.
If you have questions related to your Tiger account, call the OTS Help Center at 410.704.5151.
5. Please note, you are expected to check your TU email account on a regular basis as important notices will be sent to your TU email address from the university, **Blackboard courses**, and the graduate school. If you choose not to use that email, please change your TU account settings to forward your TU email to your personal account so you will receive all notices.

Logging on to Towson Online Services to Register

1. You should be automatically taken to the **Student Center** from the login page, but if you are not, click on **Self Service> Student Center**.
2. If you do not know the class or class number you wish to take, select **Search for Classes** under **Academics** and you can search by the course title.
3. If you know which class you wish to take, select **Enroll/Drop**.
4. If you have problems navigating the system and need assistance, please contact the Office of the Registrar at 410-704-2701. If the system is not letting you register for your intended semester, please contact the Graduate School at 410-704-2501.
