

Parking Information

Parking permits are required on campus 6 a.m.–8 p.m. Monday–Thursday, and 6 a.m.–3 p.m. on Friday. Posted restrictions at each lot take priority over printed material. Individuals bringing vehicles on campus must comply with university parking policies and local parking and traffic laws. Please see the Parking website for a copy of the Towson University parking regulations.

Visitor Parking

Visitor parking is available at paid meters or in designated visitor lots with a valid permit. Permits may be obtained from pay stations located at each visitor location.

Accessible Parking

Accessible parking is available at various locations throughout the campus. Individuals must have handicapped permits/plates and also display a valid Towson University permit during restricted hours.

Faculty/Staff Parking

Faculty/Staff parking is available in designated lots. Lot signs indicate the hours of permit restrictions. Faculty/Staff permits are not valid in reserved spaces or in Commuter or Resident lots during restricted hours.

Commuter and Resident Student Parking

Commuter and Resident student parking is available in designated lots. Lot signs indicate the hours of permit restrictions. Commuter and Resident permits are not valid in reserved spaces or in Faculty/Staff lots during restricted hours.

Transportation Information

Campus Shuttles

Towson University operates an extensive shuttle program free of charge. The service is available to students, faculty, staff and visitors. Off-campus shuttles are available to students, faculty and staff only (a TU OneCard is required), and provide service to many local apartment complexes and nearby shopping areas. On campus routes, including a late night point to point Safe Ride service, are available to all community members and visitors to the campus. **Shuttle routes and estimated upcoming arrival times are available online at www.nextbus.com.**

Shuttle service does not operate during academic breaks, university holidays or when the university is officially closed. For detailed shuttle schedules and information, visit the Transportation Services website at www.towson.edu/transportation or call 410-704-PARK (7275).

Para-Transit Service

The university offers a separate on-campus transportation service for students, faculty and staff with mobility needs. The service is available during normal weekday and weekend shuttle operation. Individuals who wish to utilize this service must register and be approved through Disability Support Services. For general information and service hours, visit the Transportation Services website at www.towson.edu/transportation/. To request service, call 410-704-RIDE (7433).

Overflow Parking

Overflow permits as well as all other current Towson University permits, unless indicated otherwise on lot signs, are valid in areas designated as Overflow lots.

Motorcycle & Scooter Parking

Designated motorcycle/scooter spaces are located at each garage and the Towson Center Lots. Motorcycles & scooters must be parked in designated “Motorcycle” spaces. Motorcycles & scooters may not park in regular vehicle spaces or at bike racks. Motorcycles and scooters are not permitted on sidewalks.

Event Parking

Event parking is available in designated, pre-arranged locations. Special arrangements must be made through Parking and Transportation Services at least 10 business days prior to the event. An Event Parking Request Form may be found at the Parking and Transportation Services website at www.towson.edu/parking.

Getting to Towson University

From the Beltway: To reach Towson University via the Baltimore Beltway I-695, take Exit 25 (Charles Street) and proceed south approximately 1.7 miles. Turn left on Towsontown Boulevard. Turn right on Osler Drive and make an immediate left at the first stoplight. Continue to parking lot 11.

From Baltimore: From Baltimore (Pennsylvania Station), proceed north on Charles Street for five miles. Turn right on Towsontown Boulevard, and proceed to the first stoplight. Turn right on Osler Drive and make an immediate left at the first stoplight. Continue to parking lot 11.
