

Welcome Veterans!

If you are a veteran entering or returning to college, you may not realize that you could be eligible for accommodations through DSS. DSS and the Veterans Center at Towson University collaborate to provide veterans with information about DSS and how we can assist you. It's possible that your ability to learn may have changed, even if you did not experience learning difficulties prior to your military experience. Or, you may now have a physical or medical condition that impacts your ability to have equal access to the educational environment.

Registering with DSS is voluntary and strictly confidential. You can initiate the process by phoning or emailing the DSS Associate Director, Karen Oppenheimer, at 410-704-4641, koppenheimer@towson.edu, or you can submit a DSS application (on our website). You will need to provide documentation of your disability, and assistance with obtaining appropriate documentation is available by contacting:

Note: Veteran's transcripts and records do not identify whether or not a student received accommodations from DSS.
