

Healthcare Leadership Academy

The Healthcare Leadership Academy is the student organization of the Healthcare Management program at TU. The Academy provides an opportunity for student members to network with professionals in the field to gain an understanding of the industry and enhance the development of leadership skills. This spring semester, the Academy will be holding a several educational events on current healthcare management topics. Each event will allow the students to hear from local professionals in the field, as well as provide an opportunity to interact with the professionals in a question and answer period following the presentation.

Educational Sessions being scheduled for spring semester include:

Joint Commission Essentials – March

Lean Healthcare – April

The Benefits of Professional Organizations - May

There will be a \$5 registration fee for each of the Academy educational sessions, however event registration is free for Academy members. Membership in the Academy is \$20 per academic year; starting in February membership for the remainder of 2011/2012 will be \$10. Academy membership is open to all TU undergraduate students, although you must have a minimum GPA of 2.0.

Please refer to the TU Healthcare Management website for additional information on the Academy and for a membership application, or contact Professor Casciani, HCMN Program Director.
