

The Honors College
2009 Honors College Orientation
Confirmation

Congratulations on your acceptance into the Honors College at Towson University. If you are accepting our offer to join the Honors College you are required to attend our Honors College Orientation. Honors College Orientation will take place from 11:00 am on Thursday, August 6th through 2:00 pm on Friday, August 7th.

Honors College Orientation is a great opportunity for you to meet your peers, acclimate to the Towson University campus and the Honors College, learn about Honors College requirements and your first year experience, meet some honors faculty and staff, and much more.

Honors College Orientation is not all work...there is play, too! On Thursday night you will have a chance to get to know some current honors students, hangout, watch movies, play pool, etc. in one of our campus "hot spots" PAWS.

Housing and meals will be provided for you. Students will be housed in Tower A on campus. However, you will need to supply your own linens (i.e. sheets, towels, etc.).

A "Freshman Read" will be mailed to you prior to orientation. You are expected to complete this read prior to attending orientation as it will be a topic of discussion.

Please remember to activate your Towson University email account as we will be sending reminders and important information to that email account only. You will be receiving a detailed schedule of events for orientation in July. Updated information will also be posted on our website. In the meantime, if you have any questions, please feel free to contact us at 410-704-4677 or at honors@towson.edu.

We look forward to seeing you in August!

Please return this portion with your acceptance to the Honors College by June 8th.

Name (Printed): _____

Address: _____

Gender: Male or Female (please circle one, this will be used for room assignments)

Yes, I will attend New Student Orientation

No, I will not be able to attend the New Student Orientation
(Please attach a detailed explanation of why you are unable to attend, as this is a required event.)
