

Parents: Make an informed decision on health insurance for your student

Come join us! Learn the tools and tips to making an informed decision for your child's health insurance plan. Live feedback to your questions.

Consider a student health insurance plan

A family health insurance plan isn't always the best solution for a college-bound child. Considering options other than your current health insurance plan may be worth the exercise. Your family plan might not provide the coverage needed when the student is away from home.

We can help. Attend our webinar to learn more.

Webinar: Making an informed decision – consider student health insurance

When: August 30th; 2:00-3:00 EST

Registration: [Click here to register](#)

What you will learn:

- Why student health insurance plans may be the better choice.
- How to “Do the Math” when comparing your current plan to the student health insurance plan.
- What to look for in a plan for your student; such as a national network, travel assistance, wellness programs, savings and compatibility with the student health services at the school.
- Why your student's school chose to work with Aetna Student Health.

We look forward to talking with you soon!

Fully insured student health insurance plans are underwritten by Aetna Life Insurance Company (Aetna) and administered by Chickering Claims Administrators, Inc. (CCA). Self insured plans are funded by the applicable school, with claims administration services provided by CCA. Aetna Student HealthSM is the brand name for products and services provided by Aetna and CCA and their applicable affiliated companies. This material is for information only and is not an offer or invitation to contract. Health insurance plans contain exclusions, limitations and benefit maximums. Information is believed to be accurate as of the production date; however, it is subject to change. Policy forms issued in OK include: GR-96134.
