

Class Fees and Description of Use of Fee Monies by Course: Academic Year 2010-2011.

COURSE	USE OF FEES
ACSD 622	Pays for diagnostic tests, anatomical models and materials
ACSD 743	Pays for electrophysiology supplies: gel, wires, attachment cups, etc.
ACSD 744	Pays for electrophysiology supplies: gel, wires, attachment cups, etc.
ACSD 755	Pays for hearing aid supplies for class demonstration and assignments
ANTH 457	Pays for chemicals for advanced forensics course, including things like fingerprint dusting powder
ARED 371	Pays for course materials and varied art supplies such as paint, paper, cardboard and 3D materials
ARED 373	Pays for course materials and art supplies
ARED 381	Pays for course materials and art supplies
ARED 383	Pays for course materials and art supplies
ARED 463	Pays for course materials and art supplies
ARED 464	Pays for course materials and art supplies
ART 331	Pays for course materials, still life props and equipment such as inexpensive cameras
ART 100	Pays for course materials, media files and equipment such as inexpensive cameras
ART 103	Pays for course materials, art supplies and equipment such as inexpensive cameras
ART 104	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 107	Pays for course materials, clay and glazes
ART 109	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 111	Pays for course materials, art supplies and equipment such as inexpensive cameras
ART 117	Pays for course materials, printing ink, solvents, plates and paper
ART 118	Pays for course materials, 3D materials such as metal and equipment such as saw blades
ART 126	Pays for fabrics, dyes and other supplies
ART 146	Pays for course materials, art supplies and equipment such as inexpensive cameras
ART 205	Pays for course materials, clay, equipment such as anatomical models and human models
ART 211	Pays for course materials, equipment such as anatomical models and human models
ART 212	Pays for computer software licenses and laptop computer materials
ART 217	Pays for software computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 218	Pays for course materials, 3D materials such as metal and equipment such as grinding wheels
ART 219	Pays for software computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 231	Pays for course materials, clay and glazes
ART 233	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 234	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 235	Pays for materials such as photo paper, digital photo media cards, replacement of equipment parts and digital accessories
ART 236	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts

ART 237	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 238	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts, digital camcorders and accessories
ART 241	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 245	Pays for course materials, printing ink, solvents, plates and paper
ART 258	Pays for materials such as photo paper, digital photo media cards, replacement of equipment parts and digital accessories
ART 301	Pays for course materials such as colored glass and glass cutting tools
ART 307	Pays for course materials, 3D materials such as metal, precious stones and equipment such as grinding wheels
ART 308	Pays for course materials, clay and glazes
ART 309	Pays for course materials, clay and glazes
ART 310	Pays for course materials, clay and glazes
ART 311	Pays for course materials, 3D materials such as wood and equipment such as saw blades
ART 313	Pays for course materials, 3D materials such as metal and equipment such as grinding wheels
ART 317	Pays for software computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 319	Pays for course materials, 3D materials such as metal, wax and equipment such as grinding wheels
ART 320	Pays for fabrics, dyes and other supplies
ART 322	Pays for software computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 326	Pays for fabrics, dyes and other supplies
ART 328	Pays for fabrics, dyes and other supplies
ART 334	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 335	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 337	Pays for fabrics, dyes and other supplies
ART 339	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 340	Pays for course materials, clay, equipment such as anatomical models and human models
ART 342	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 345	Pays for course materials, printing ink, solvents, plates and paper
ART 346	Pays for course materials, art supplies and equipment such as inexpensive cameras
ART 347	Pays for course materials, printing ink, solvents, plates and paper
ART 349	Pays for course materials, printing ink, solvents, plates and paper
ART 350	Pays for course materials, printing ink, solvents, plates and paper
ART 353	Pays for course materials, printing ink, solvents, plates and paper
ART 355	Pays for software, computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 357	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 358	Pays for materials such as photo paper, digital photo media cards, replacement of equipment parts and digital accessories
ART 360	Pays for software, computer equipment such as mice, digitizing tablets, digital cameras and styluses. Printing.
ART 361	Pays for software, materials for laser cutting. computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 362	Pays for software, computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 363	Pays for software, computer equipment such as mice, digitizing tablets, digital cameras and styluses

ART 365	Pays for software, computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 366	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 370	Pays for course materials
ART 373	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 377	Pays for course materials, reference materials and art materials
ART 400	Pays for course materials, clay and glazes
ART 402	Pays for course materials, equipment such as anatomical models and human models
ART 407	Pays for course materials, clay and glazes
ART 409	Pays for course materials, clay and glazes
ART 412	Pays for course materials, equipment such as anatomical models and human models
ART 413	Pays for purchasing electroforming equipment and enameling supplies
ART 431	Pays for course materials, still life props and equipment such as inexpensive cameras
ART 435	Pays for materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART 438	Pays for course materials, 3D materials such as metal, wax and equipment such as grinding wheels
ART 441	Pays for course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART 450	Pays for course materials, printing ink, solvents, plates and paper
ART 456	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 457	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 461	Pays for software materials for laser cutting, computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 462	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 463	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 465	Pays for button-making supplies, field trips, printing of posters and maps
ART 473	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 483	Pays for course materials, reference materials and computer equipment such as mice, digitizing tablets, digital cameras and styluses
ART 496	Pays for CDs, printer ink
ASTR 161	Pays for telescopes, spectrosopes, materials to make craters and comets
ASTR 162	Pays for replacement of workstations, Printer supplies, equipment maintenance
BIOL 112	Pays for electrophoresis supplies, water test supplies, field trips
BIOL 115	Pays for electrophoresis supplies, water test supplies, field trips
BIOL 190	Pays for DNA preps and gels, reagents, disposable plastic ware
BIOL 201	Pays for chemicals, plastic ware, microscope repairs, and replacements
BIOL 202	Pays for field trips and field sampling equipment
BIOL 205	Pays for specimens, field trips and field sampling equipment
BIOL 207	Pays for specimens, field trips and field sampling equipment
BIOL 213	Pays for replacement models, supplies for physiology, site licenses for A&P Revealed
BIOL 214	Pays for replacement models, supplies for physiology, site licenses for A&P Revealed
BIOL 215	Pays for course materials
BIOL 315	Pays for microscope repairs and replacement, petri dishes, slides, reagents

BIOL 318	Pays for course materials.
BIOL 325	Pays for specimens, repair and replacement of lab sampling equipment.
BIOL 353	Pays for specimens, field trips and field supplies
BIOL 360	Pays for microscope repairs, replacement, and upkeep of microtomes
BIOL 402	Pays for field trips, chemicals, materials for water monitoring, repairs and replacement of molecular equipment
BIOL 406	Pays for field trips, chemicals, materials for water monitoring, repairs and replacement of field equipment
BIOL 410	Pays for chemicals, cultures and plastic ware, repairs and replacement of molecular equipment
BIOL 425	Pays for plastic models and human cadavers
BIOL 427	Pays for plastic models and human cadavers
BIOL 435	Pays primarily for vehicles for field trips and sampling supplies
BIOL 452	Pays for van rentals for two field trips.
BIOL 455	Pays primarily for vehicles for field trips and sampling supplies (vials, jars, chemicals)
BIOL 456	Pays primarily for vehicles for field trips and sampling supplies (vials, jars, chemicals)
BIOL 458	Pays primarily for vehicles for field trips and sampling supplies (vials, jars, chemicals)
BIOL 461	Pays primarily for vehicles for field trips and sampling supplies (vials, jars, chemicals)
BIOL 465	Pays for supplies for physiology experiments
BIOL 467	Pays primarily for vehicles for field trips and sampling supplies (vials, jars, chemicals)
BIOL 470	Pays for small equipment and course materials.
BIOL 552	Pays for van rentals for two field trips.
CHEM 104	Pays for pH and ion selective electrodes and meters, shaker incubators, chemicals and glassware
CHEM 105	Pays for top loading balances, stirring hotplates, chemicals and glassware
CHEM 106	Pays for automatic burettes, distillation kits, chemicals and glassware
CHEM 110	Pays for grating spectrometers, top loading balances, chemicals and glassware
CHEM 111	Pays for pH and ion selective electrodes and meters, stirring hotplates, solid phase extraction equipment, chemicals and glassware
CHEM 115	Pays for burettes, stirring hotplates, chemicals and glassware
CHEM 210	Pays for analytical balances, reagent dispensers, micropipettors, reference standards, chemicals and glassware
CHEM 310	Pays for gas chromatography columns, syringe filters, liquid chromatography sample vials, chemicals and glassware
CHEM 323	Pays for spectrophotometer cells, magnetic stir bars, chemicals and glassware
CHEM 330	Pays for distillation kits, replacement of broken glassware, sample vials and chemicals
CHEM 331	Pays for top loading balances, melting point capillaries, replacement of broken glassware and chemicals
CHEM 332	Pays for microscale distillation and column chromatography apparatus, thermometers, replacement of broken glassware and chemicals
CHEM 356	Pays for micropipettors and micropipettor tips, DNA and protein electrophoresis supplies, spectrophotometer cells and enzymes
CHEM 372	Pays for gas cylinders, infrared spectrometer cells, chemicals and glassware
COSC 109	Pays for printing supplies and lab infrastructure
COSC 111	Pays for printing supplies and lab infrastructure
ECED 407	Pays for disposable headphones and instructional materials
ECED 417	Pays for assessment kits and instructional tools
ECED 429	Pays for reading assessment kits and evaluation resources

ELED 312	Pays for diversity materials to support interns' work in professional development schools
ELED 363	Pays for materials to support literacy instruction in public school classrooms
EMF 221	Pays for equipment replacement
EMF 222	Pays for equipment and computer workstations and software updates
EMF 265	Pays for computer work stations and software
EMF 275	Pays for computer work stations and software
EMF 340	Pays for equipment replacement
EMF 360	Pays for equipment replacement
EMF 365	Pays for computer workstations and software updates
EMF 366	Pays for equipment and computer workstations and software updates
EMF 367	Pays for equipment and computer workstations and software updates
EMF 370	Pays for equipment replacement
EMF 371	Pays for equipment replacement
EMF 373	Pays for electronic components and equipment
EMF 375	Pays for equipment replacement
EMF 380	Pays for equipment and computer workstations and software updates
EMF 437	Pays for equipment replacement
EMF 455	Pays for equipment replacement
EMF 461	Pays for equipment replacement
EMF 462	Pays for equipment replacement
EMF 471	Pays for equipment replacement
EMF 473	Pays for equipment replacement
EMF 481	Pays for equipment replacement
EMF 486	Pays for equipment replacement
EMF 487	Pays for equipment and computer workstations and software updates
ENVS 601	Pays for course materials
ENVS 602	Pays for course materials
ENVS 604	Pays for field trips
FMST 345	Pays for course materials
FRSC 610	Pays for body fluid test kits, chemicals and glassware
GEOL 121	Pays for replacement and addition of rock samples, binocular microscope
GEOL 122	Pays for replacement and addition of rock samples, binocular microscope
GEOL 123	Pays for replacement and addition of rock samples, binocular microscope
GEOL 305	Pays for course materials
ISTC 201	Pays for disposable items [paper and media], specialized educational hardware and software
ISTC 301	Pays for disposable items [paper and media], specialized educational hardware and software
KNES 369	Pays for electrodes, equipment cleaning supplies and other supplies, replacement of blood pressure cuffs, travel and parking at clinical rotation site, clipboards and other individual student instructional materials

KNES 372	Pays for supplies, equipment replacement, equipment replacement parts
KNES 381	Pays for supplies, equipment replacement, equipment replacement parts
KNES 389	Pays for supplies, equipment replacement, equipment replacement parts
MATH 231	Pays for software licenses and/or printing
MATH 233	Pays for software licenses and/or printing
MATH 237	Pays for software licenses and/or printing
MATH 273	Pays for software licenses and/or printing
MATH 274	Pays for software licenses and/or printing
MATH 275	Pays for software licenses and/or printing
MCOM 257	Pays for computer work stations and software
MCOM 258	Pays for computer work stations and software
MCOM 323	Pays for computer work stations and software
MCOM 325	Pays for computer work stations and software
MCOM 341	Pays for computer work stations and software
MCOM 358	Pays for computer work stations and software
MCOM 381	Pays for equipment replacement and software
MCOM 391	Pays for equipment replacement and software
MCOM 407	Pays for computer work stations and software
MCOM 481	Pays for equipment replacement and software
MCOM 507	Pays for computer work stations and software
MUED 201	Pays for instrument maintenance and repairs
MUED 202	Pays for instrument maintenance and repairs
MUED 203	Pays for instrument maintenance and repairs
MUED 204	Pays for instrument maintenance and repairs
MUED 205	Pays for instrument maintenance and repairs
MUED 206	Pays for instrument maintenance and repairs
MUED 207	Pays for instrument maintenance and repairs
MUED 208	Pays for instrument maintenance and repairs
MUSA 100	Pays for creative technology lab workstations, equipment, programs and concert needs
MUSA 200	Pays for creative technology lab workstations, equipment, programs and concert needs
MUSA 300	Pays for creative technology lab workstations, equipment, programs and concert needs
MUSA 400	Pays for creative technology lab workstations, equipment, programs and concert needs
MUSA 600	Pays for creative technology lab workstations, equipment, programs and concert needs

MUSC 105	Pays for laboratory equipment, workstations, and software
MUSC 116	Pays for laboratory equipment, workstations, and software
MUSC 131	Pays for laboratory equipment, workstations, and software
MUSC 132	Pays for laboratory equipment, workstations, and software
MUSC 231	Pays for laboratory equipment, workstations, and software
MUSC 232	Pays for laboratory equipment, workstations, and software
MUSC 281	Pays for supplies for recording studio and some software
MUSC 336	Pays for repair and maintenance of the equipment and software in the Creative Technology Lab and the Music Computer Lab
MUSC 437	Pays for repair and maintenance of the equipment and software in the Creative Technology Lab and the Music Computer Lab
MUSC 482	Pays for supplies for recording studio and some software
MUSC 537	Pays for repair and maintenance of the equipment and software in the Creative Technology Lab and the Music Computer Lab
OCTH 217	Pays for course materials and daily living skills equipment
OCTH 218	Pays for course materials
OCTH 317	Pays for course materials
OCTH 678	Pays for updating of measurement tools and replacement of standardized forms
OCTH 781	Pays for course materials and incentives
PHSC 101	Pays for equipment, supplies
PHSC 303	Pays for bulbs, electric circuits, replacement of components
PHYS 131	Pays for replacement of components
PHYS 143	Pays for monochord supplies, replacement headsets and microphones
PHYS 202	Pays for electronic and optical components
PHYS 211	Pays for equipment, supplies for optics demonstration
PHYS 212	Pays for light bulbs, electronic components, replacement of equipment
PHYS 241	Pays for replacement of equipment
PHYS 242	Pays for light bulbs, electronic components, replacement of equipment
PHYS 270	Pays for student version of LabView software
PSYC 720	Pays for costs associated with standardized tests protocols
SPPA 714	Pays for costs of materials for making AAC low tech systems
THEA 107	Pays for metal and materials for stage property class
THEA 142	Pays for paper, paints, and specialized materials for scenic design
THEA 241	Pays for paper, paints, and specialized materials for scenic design
THEA 245	Pays for materials for makeup design, putty, model clay, non-traditional makeup
THEA 246	Pays for materials for makeup design, putty, model clay, non-traditional makeup
THEA 357	Pays for paper and drafting equipment for classes
THEA 358	Pays for metal and materials for stage property class
