

Hello everyone,

This week we started off with introductions and then played evolution tag. Tonight was also our Big Queer Meeting!

QSU is doing concessions on March 19th. Concessions is one of our biggest fundraising events, so the more help we can get, the more funds we can pull in. This time is from 11am- 3:30pm. You don't have to stay the whole time, but any help is definitely appreciated. Also, any food there is free to whomever helps out. If you would like to help out or have any questions, feel free to reply to this email.

The Coffeehouse is on March 8th in the Potomac Lounge from 7-10pm. This event is free, and features local and student performances including poetry reading, singing, art showcases, and anything else you can think of. If you are interested in performing, you can contact Joseph at jweeks1@students.towson.edu

There will be a panel put on by members of the Diversity Retreat on February 23rd from 6-8pm.

The second half of the meeting consisted of committees. A committee is a small group led by one of the members on the executive board that has a focus area. Here's what each committee entails and who you can contact if you are interested in joining one.

The advertising committee is in charge of getting the word out about QSU, usually by making and putting up flyers. Shawn- sorcho1@students.towson.edu

The fundraising committee holds comes up with ideas and events to help QSU make funds. This can include bake sales, concessions, etc. Lilia- lfarma1@students.towson.edu

The coffeehouse committee is in charge of setting up and cleaning up for the coffeehouse on March 8th. This includes organizing the snacks, making coffee, informing performers, etc.. Joseph- jweeks1@students.towson.edu

The drag show committee is in charge of setting up and cleaning up for the drag show on April 14th. This can include working the QSU table at the show, selling raffle tickets, and helping out the performers. Sarah- shamme3@students.towson.edu

The social action committee is for events and ideas that are politically motivated. This can include lobbying, protests, letter-writing, etc. Adrienne- alucia3@students.towson.edu

Hope to see you all next week!
