Introduction
Courses and Enrollments are automatically generated in Blackboard via PeopleSoft information.

Instructor:
If you do not see your course listed after you log in please go to www.techhelp.towson.edu and create a service request that includes your Course ID and Section number.

Student:
If you do not see your course listed you will need to contact your instructor. Instructors have to first make the course available so you can access them.

Access Your Course Site
1. Go to the Blackboard login page: https://blackboard.towson.edu
2. Type your NetID (TowsonU username and password) under Login Here (Fig 1)
3. Click the Login button (Fig 1,1)
4. Click on the Home tab (Fig 2,1) or the Courses tab (Fig 2, 2)
5. Click on the title of your course
