Hiding an Old Course on Blackboard

You will need to log on to Blackboard to start. Make sure you are using a Mozilla Firefox or Google Chrome browser.

1. Login to https://blackboard.towson.edu
2. Next to the My Courses module heading, click on the gear icon. (Fig 1,1)
3. Under number 1, you will see a list of all courses you are enrolled in.
4. In the Select All/Unselect All heading, click the boxes next to an old course. (Fig 2,1) This should uncheck all boxes on the other side of the course as well. (Fig 2,2)
5. Click Submit.
6. You should no longer be able to see the course that you unselected.
7. To reverse this process, follow steps 1-4, but instead make sure that all boxes next to the course is checked.
