# WOMEN IN LEADERSHIP CONFERENCE

*Call for Presenters!*

The Women in Leadership (WIL) Conference increases the leadership capacity of female students and prepares them for success in the workplace. We are soliciting speakers for 60-minute break out sessions during this one-day conference. **Women in STEM** (Science, Technology, Engineering, & Math)

**Women in Service** (Non-Profit and Education)

In addition to these tracks, there will be a fourth career development curriculum hosted by TU's Career Center.

If you are interested in presenting, please email a proposal to Marie Lilly, Associate Director, Center for Student Diversity, at [mlilly@towson.edu](mailto:mlilly@towson.edu). **Proposals are due by February 13, 2012.** Your proposal should be no more than one page and should contain the following information:
