Need extra help with Calculus II topics?

**Calculus II Peer Assisted Learning Sessions**

**What:** Calculus II (MATH 274) sessions will begin with an overview of the specific topic for that week, and then students will work on example problems with the aide of the PALS leader. Topics will mirror what students saw in class that week.

**When:** Every Wednesday from 4:00 pm—5:30 pm
February 7th until May 9th

**Where:** Linthicum Hall 006

**Note:** Sessions are drop-in, but space is limited.
Schedule and topics are subject to change.
