Need extra help with Calculus I topics?

Calculus I

Peer Assisted Learning Sessions

**What:** Calculus I (MATH 211 & 273) sessions will begin with an overview of the specific topic for that week, and then students will work on example problems with the aide of the PALS leader. Topics will mirror what students saw in class that week.

**When:** Every Thursday from 4:00 pm—5:30 pm
February 8th until May 10th

**Where:** Cook Library Room 524A

**Note:** Sessions are drop-in, but space is limited. Schedule and topics are subject to change.
