COURSE FORM INSTRUCTIONS

1. **Complete all the shaded areas on this form.** DO NOT COMPLETE THE NON-SHADED AREAS.

2. **Meet with your academic advisor** to determine the credits and courses remaining to complete your degree at TU and to discuss and review your course selections abroad. At your meeting, have your academic advisor sign your Study Abroad Course Form.

3. **Search for the courses** you intend to take abroad in the **TU Study Abroad Course Database**.

4. **If you don’t need a course to fulfil a specific requirement at TU (i.e. major, minor, or core)** it can be posted as general lower division electives (USEL) toward your overall credits for graduation.

5. **If a course that you intend to take abroad IS LISTED in the database you DO NOT NEED to obtain approval from the relevant academic department.** Instead, verify you meet any necessary prerequisites for the course and submit the following items to the TU Study Abroad Office by the deadline:
   - Course information print out from the TU Study Abroad Course Database
   - Study Abroad Course Form with completed shaded areas, Academic Advisor’s signature, and student’s signature

6. **If a course that you intend to take abroad IS NOT LISTED in the database take the following items to the relevant academic department office on-campus** and then submit your completed Study Abroad Course Form to the TU Study Abroad Office by the deadline:
   - **Study Abroad Course Form** with completed shaded areas, Academic Advisor’s signature, and student’s signature
   - **Course description or syllabi** of the courses that you intend to take abroad.
   - A copy of your current **Academic Requirements Report and/or signed Academic Advising Sheet.**
   - **Business courses only:** A detailed syllabus (course descriptions are not acceptable); information on the accreditation agency for the university or program abroad; an Academic Requirements Report; and a signed Academic Advising Sheet.

Helpful hints:

- Get more courses equated than you will need! When you arrive overseas you may find that some courses are not on offer, there may be schedule conflicts, or you may simply change your mind.
- Each academic department has regulations concerning how many credits towards your major/minor may be taken off-campus.
- If you haven’t taken the necessary prerequisites for a TU class, the academic department may not allow you to transfer it back from abroad.
- If your schedule changes while abroad, you can request to have new courses equated via email. Contact your TU Study Abroad Advisor for instructions.
- Bring coursework, exams, and syllabi home with you in case you need to have courses equated retroactively. **NOTE: Students must bring all coursework back to TU to obtain final approval for all Foreign Language courses.**
