WELCOME

Welcome to the English Language Center!

The ELC was founded in 1985 to serve the English language needs of international students at Towson University. Some students come to the ELC because they plan to pursue academic degrees. Others want to improve their English for professional or personal reasons. Whatever *your* goal, the ELC is happy that you have made the choice to study here. We offer an exciting, rigorous program that will help you develop your English language skills, deepen your understanding of American culture and the American higher education system, and give you the opportunity to meet new people from different countries. Our faculty and staff are committed to helping you achieve your goals; they have lived overseas, studied foreign languages, and experienced the cultural adjustment process firsthand. At the ELC, we understand the importance of having a warm, welcoming “home away from home” environment in which to begin your American journey. You are here because you know this experience will open doors for you. Likewise, *our* doors are always open for you.

You Are Welcome Here

THE ELC'S MISSION

The English Language Center at Towson University seeks to provide non-native speakers of English with the skills, tools, and resources they need to ensure their academic, professional, and intercultural success. To that end, we:

- Deliver intensive and academic English, test preparation, and bridge courses
- Recruit committed, passionate teachers and staff who go the extra mile to support students
- Foster a student-centered approach in the classroom
- Provide free tutoring services to ELC students to reinforce classroom instruction
- Encourage intercultural understanding and exchange through social activities, excursions, and conversation partners
- Promote collaboration and cooperation as essential to our students' becoming responsible global citizens
- Custom design courses and programs to meet the needs of special groups
- Contribute to and enhance diversity within the campus community
- Create a "home away from home" environment that facilitates learning and cultural adjustment

NOT ON ELC ORGANIZATION

The ELC is a department within International Initiatives.

OVERVIEW OF THE ELC PROGRAM AND CLASS SCHEDULE

The ELC is a non-credit program at Towson University for students who want to learn intensive academic English skills needed to enter and succeed in a college or university in the United States. The ELC consists of six levels of study, from beginner to advanced, in eight skill areas: Reading/Vocabulary linked with Writing/Grammar and Listening/Vocabulary linked with Speaking/Grammar. Each linked class meets nine hours per week, so a student who is enrolled full-time will spend a total of 18 hours per week in class. Students in level 3 or higher may enroll in an optional TOEFL class which meets for 12 weeks.

ACADEMIC INFORMATION

Applying to the ELC

You can apply to the ELC online using a fillable pdf document, or you can complete an application at the ELC main office in ES101. This application is for all students on F 1 and F 2 visas for full and part-time regular, transfer, sponsored, conditional, and provisional admission. There is a different application for students on B and J visas. Pay the non-refundable \$50 application fee when you apply. You can pay by check, credit card, wire transfer, or with cash (in person). If you pay in person at the Bursar's office in ES on the 3rd floor, you MUST bring your receipt to the ELC main office in ES101.

Admission to the ELC

For acceptance at the ELC as an F-1 student, provide the following information:

- Financial records (an official bank statement, a bank letter, or a scholarship letter) that demonstrate ability to pay estimated costs:
<https://www.towson.edu/academics/international/isso/students/documents/expenses/costs201819website.pdf>
- A certified high school transcript in English
- A copy of your passport and of any family member traveling with you
- The \$50 application fee

If you have another type of visa, see the ELC website for admission requirements:

<https://www.towson.edu/academics/international/english-language-center/academic-english/apply.html>

The ELC will send you an I-20 which is like an acceptance letter. You will need this document to apply for a visa.

New Student Orientation

All new students must attend the ELC orientation during week one of the semester. We will email this information to you in a pre-arrival letter when you receive your I-20.

During Orientation Week, you will:

- Take a placement test to determine which level of instruction is best for you
- Check-in at the TU Health and Wellness Center to review your health insurance and immunization requirements
- Attend an immigration workshop to review the rules and procedures to maintain legal status in the US.
- Take a campus tour
- Receive safety
- Learn about parking on campus and TU Shuttle bus service
- Register for courses and pay tuition and fees
- Get your class schedule
- Get your TU **OneCard**
- Activate your TU email account
- Sign up for ELC Collaborate on Edmodo
- Review ELC policy and rules and sign the ELC Attendance Contract
- Complete required ELC forms
- Get information about social activities at the ELC and on campus

Placement Testing

During orientation week, you will take an initial placement test. The test will indicate which level of English instruction is best for you. You do not need to study for this test, and there is no “passing” score. You will receive your placement level when you register for classes during orientation week. The test has six parts and takes about 2 hours:

- I. Listening (25 questions)
- II. Grammar (20 questions)
- III. Vocabulary (20 questions)
- IV. IV. Reading (15 questions)
- V. Writing (2 sections; 45 minutes)
- VI. Speaking Interview (15 minutes)

Registration

Registration means you pay your tuition, activity fee, and \$50 application fee if you have not already paid it. You will receive a student ID number that will enable you to get your TU **OneCard**, parking permit, and email account. You will receive your schedule of classes after

you register.

Enrollment

After you pay your tuition, you will receive a schedule of classes that will include:

- Class and level
- Classroom
- Class times
- Teacher
- Textbook title(s)

Payment of Tuition and Fees

Regular ELC Students must pay tuition at the time of registration. Students have until the add/drop date specified on the student calendar to pay. The ELC accepts credit cards, wire transfers, cash, or a check made payable to Towson University.

Sponsored Students and their Spouses/Dependents must provide an official **Financial Guarantee and Scholarship Letter** from their sponsoring agency before the beginning of each semester or at the time of registration.

****Note:** A Scholarship Letter for “Admissions ONLY” purposes is not enough because it only provides your national number and confirms that you are eligible for a scholarship.

Late Payment of Tuition and Fees

Students who do not pay by the tuition deadline or who do not provide their Financial Guarantee by the deadline:

- Will be charged a \$75 late fee per week
- Will not be allowed to attend class and will be marked absent until you pay

****Note:** If you wish to discuss the payment policy, please speak with the ELC Director.

Decisions about payment are made on a case by case basis.

Cancellation, Refunds, and Deadlines

You may cancel your registration and receive a full refund (excluding the application fee) on or before the official add/drop deadline for each term as stated on the ELC calendar and the ELC website. See the section on withdrawing for students leaving after the add/drop deadline.

Returning Students

Students who studied at the ELC in the previous semester do not have to attend new student orientation. Returning students receive a series of email reminders of the date they must come to the ELC to register. You must update and complete all required information when you register for the new term.

Late Arrivals

In the case of family or medical emergencies, visa interview delays, or travel complications out of your control, you might have to arrive late for the start of the term. You must notify the ELC if you are going to arrive late. The ELC will provide you with a letter to present at the port of entry giving you permission for a late arrival. The letter also states the details for completion of orientation, health center and ISSO check in, and missed class time and work to fulfill the requirements for attendance and progress for F 1 students. You must arrive on or before the second add/drop (change of level) date for the semester on the calendar on the website (see also above). **Returning students who do not inform the ELC that they will be returning late and who do not have a valid reason will be charged a \$75 late fee per week missed. All late arrivers regardless of reason are placed on attendance probation.**

Class Start and End Dates

Students are expected to have their class schedules and begin their classes on the first day of the semester. Students who begin late will be marked absent for the days they miss and are responsible for the course material they miss; the teacher will help, but it is the student's duty to "catch up" as quickly as possible. Students are expected to remain in the program until the official end of the semester noted in the student calendar. Students may not take final exams before the scheduled exam week. A student who wishes to leave before exam week will receive an "incomplete" (I) for the course. A student with an incomplete (I) score will have to make up all missed material before the start of the following term.

Textbooks and Materials

You must purchase and have textbooks by the beginning of week 2 of the semester. Students may not purchase used textbooks. Towson University rules do not allow you to photocopy textbooks. You must also purchase and bring to class every day the other materials for the course such as homework, handouts, pens, highlighters, etc.

Changing Levels

If you believe that the course and level you are placed in seem either too difficult or too easy for you and you wish to change levels, you must do the following:

- Speak to your teacher within the first two weeks of the semester; do not ask after week 2.
- Complete a level change request form (available at ELC front desk) and submit it to the Assessment Coordinator.
- Re-test on the date set by the Assessment Coordinator.
- Accept the results of the re-test as final.
- Take responsibility for catching up (meeting with the instructor, getting copies, having the books and materials) with the new class (if applicable).

Attendance

Attendance is mandatory. To maintain your legal F-1 visa status, you must maintain an overall class attendance at or above 80%. You must come to class unless you are sick or have an emergency. Your teacher may ask you to have a doctor's note if you are absent for a quiz or test. Schedule your appointments for times outside of class whenever possible—for example, after 3:15 pm, during lunch break, or on Fridays. Remember that in American culture, when you are absent, you are still responsible for doing the classwork and homework and getting copies

of handouts. If you miss a quiz or test, it is **your** job to speak to the teacher about taking it.

Attendance warning letters will be sent to students as follows:

- 10% absence: Reminds the student of the importance / requirements of attendance
- 15% absence: Informs the student of increasing absences and requires an appointment with the Advising Coordinator
- 18% absence: Notifies the student that attendance probation will be the next step; requires an appointment with the Director
- 20% absence:
 - Probation Letter at any point after week 2 OR at the beginning of a new semester if student's attendance was over 20% during last two weeks of previous semester
 - Dismissal Letter if on probation and attendance does not improve

Attendance Probation

According to U.S. government rules, students on F-1 visas are required to be in class full time. In the ELC, full-time is 18 hours per week. Students who do not attend classes regularly will be declared out of status with U.S. Immigration. If you are out of status, the ELC will not renew your I-20, nor will we sign a transfer for you.

Lateness

In American culture, classes begin on time. If the class begins at 9:00, you should be there at 9:00. Teachers will record lateness as part of your attendance.

- 6-15 minutes late = 15 minutes absent
- 16-30 minutes late = 30 minutes absent
- 30-60 minutes late = 1 hour absent
- More than one hour late is recorded as absent for the whole class

Grades

The ELC uses a letter grade system (A-F) to report your midterm and final scores. For more information about grades and progress through the program, see Appendix A.

Appealing a Grade

If you disagree with a grade you have received, speak to your teacher. If you cannot resolve the grade with your teacher, then speak with the Advising Coordinator, who will then consult with the teacher to arrive at a fair decision. The teacher may assign you extra credit work or may give you the opportunity to correct the errors on the disputed test or quiz, with the new grade then averaged into the old grade. In the case of a disputed grade on a writing assignment (essay, research paper, etc.), the teacher will provide the grading rubric to a third reader for an independent assessment.

Academic Progress (Promotion)

According to the rules for your F-1 visa, you are required to pass your classes and make satisfactory progress. If you do not make satisfactory progress, your I-20 will not be renewed.

This means you cannot fail a class more than two times.

- In levels 1-3, students must achieve a C- (70%) or higher to advance to the next level
- In levels 4-6, students must achieve a B- (80%) or higher to advance
- Students who do not earn the grade needed for promotion must repeat the course
- Students who fail a course for the second time will be placed on **Academic Probation**. If you do not show progress during your third term in a class, you will not be able to continue at the ELC.

Promotion Appeals

If you disagree with a final grade result, you may ask the Advising Coordinator to arrange a meeting between your current teacher and the teacher of the next level. Together, they will review your course work and post-test scores, with the results of your post-test score determining the outcome.

Midterm Grade Reports and Advising

You will receive a report at the mid-point of the semester, usually around week 8, which contains your total score for your courses, your attendance record, and teacher comments. Your teachers will arrange to meet with you and discuss the report with you. You can see an example

of these forms in Appendix E.

Withdrawing from Classes

- Students who withdraw from **all** classes after the first add/drop date do not receive a tuition/fee refund.
- Students who withdraw from **some** of their classes --but remain in other classes--before or on the add/drop date will receive a full refund for the classes they drop minus the non-refundable application fee.
- In the case of a sponsored student, the sponsoring agency must pay the full tuition. These students may be held responsible for the tuition and fees owed to the sponsor.
- Students who withdraw receive a **W** on their transcript.
- Any student who plans to withdraw must notify the ELC. An F-1 student who stops attending classes without notifying the ELC will face serious immigration problems and will receive an F on his/her transcript.

Course Evaluations

At the end of the semester, the ELC will ask you to complete a short survey about your classroom experiences. You will be asked to complete a separate course evaluation for each course you have taken. The ELC values your opinion and suggestions. The survey takes about 15 minutes to complete and is anonymous (this means you do not have to give your name). Your teacher is not present during the survey.

Program Evaluation

On the post-test day, you will be asked to complete a short (10-minute) survey of the ELC program (not courses). This survey is anonymous (you do not write your name). The information helps the ELC to identify its strengths and weaknesses. Your opinion is important to us, and we take your remarks, suggestions, and opinions seriously.

Post-Testing

During the last week of classes, you will take a post-test similar to the placement test you took when you first arrived here. The ELC uses the test results to collect data about classes and student progress. Your score on the post-test does not affect your final grade in your courses. In some situations, we use post-test results to determine whether a student can move to the next level. **All students must take the post-test; students who do not take the post-test will not**

receive a certificate nor will the ELC write recommendation letters for them. One makeup date will be announced for students who miss the first post-test.

Final Grade Reports

At the end of the semester, the ELC will create a final grade report containing your scores for each class. The reports will be ready for you to pick up at the ELC front desk in ES 101 on the Friday of final exam week. You can also request that your final grade report be emailed to you if you are not able to pick it up yourself. Your grades will be entered into the ELC database and stored electronically for five years.

Certificates

You will receive a certificate at the end of the semester when you have completed all final exams. You can pick up your certificate at the ELC front desk in ES101 beginning on the Friday of final exam week. Certificates will not be issued to anyone who:

- Receives a grade of F in two or more classes
- Does not take the ELC post-test
- Misses a final exam

Certificates of Completion of Program

- To students passing levels 4 and 6

Certificates of Recognition

- To students in levels 1, 2, 3, and 5 when passing each level

Recognition Ceremony

The ELC invites all students to attend an end-of-semester party during the last Wednesday Collaborate. During this gathering, teachers will present Outstanding Student Awards to those who have done a great job in their classes and who have contributed to the ELC community.

The ELC sometimes gives two additional awards:

- The *Jin-Ho Hwang Award* to a student who is particularly outstanding academically and contributes in a special way to the ELC program.
- The *Lynda Mermell Make a Better World Award* to a student, teacher, or member of the ELC staff who go beyond the call of duty for the ELC community.

GENERAL INFORMATION

Staying in Status (F-1)

The U.S. government is strict about student visas. If you want to maintain your F-1 visa in good standing:

- Keep your attendance record at 80% or higher
- Be a full-time student (18 class hours per week)
- **Do not let your I-20 expire. Apply for an extension 60 days before it expires.**
- Make sure your passport is valid for at least six months into the future.
- Do not work off-campus. You may work on campus a maximum of 20 hours per week.
- Make sure you inform the ELC if you change your local and international addresses.

Vacation Rules

If you are an F-1 student, you must complete two consecutive (one after the other) semesters of study before you can take a vacation semester.

- Arrive in fall: must take spring term. You can take summer off.
- Arrive in spring: must take summer term. You can take fall off.
- Arrive in summer: must take fall term. You can take spring off.

Ask the Program Coordinator to make sure you are eligible.

Travel Outside of the U.S.

If you plan to travel outside the U.S. and return, the ISSSO **must** sign your I-20 before you leave. Do not wait until the last minute to get this signature. If you do not get your I-20 signed, you might not be able to re-enter the U.S.

Communication

The ELC uses various methods to communicate with students. It is extremely important for students to check their messages every day:

- The notice boards outside the ELC main office in ES101
- Edmodo ELC Collaborate (online)
- ELC Collaborate sessions Wednesdays 11:30-12:30
- TU email
- The ELC website

You may occasionally receive letters from the ELC main office delivered to you by your teacher.

The ELC encourages all students to download the TU mobile app:

<https://www.towson.edu/technology/software/mobileapps.html>

We also recommend that you register for the Campus Emergency Notification System here:

<https://www.towson.edu/publicsafety/notification/>

Student Complaints

Sometimes students have problems with classmates, teachers, other students, or ELC/TU staff or policies. Generally, the first step if you face such a problem is to try to speak with the person directly. You can also make an appointment with Dr. Lyle Nash, Student Advising Coordinator: lnash@towson.edu. If after speaking with Dr. Nash you still cannot resolve the problem, you may fill out a formal complaint form. A formal complaint is a problem you have with an employee of the ELC or Towson University (teacher or office staff), another student, or with an ELC course or policy that makes you feel unsafe or treated unfairly. A formal complaint means you have tried to solve this problem but are still unsatisfied and need to speak with the ELC Director. To fill out a formal complaint form, go to: <https://goo.gl/forms/9A4CllRjzhO3Q2Qh2>.

Learning in an American Classroom

Studying English in the U.S. means that you must also understand and respect America's

education culture. It might be very different from the system in your home country. In the U.S. it is important to show respect to your teachers and classmates with your actions.

- Come to class on time
- Do the work, and do it on time
- Ask questions if you don't understand
- Have a positive attitude about your classes
- Be openminded towards your classmates
- Don't argue with your teacher; it's OK to disagree, but disagree politely
- Listen and look when your teacher or a classmate is speaking
- Do your own work; do not copy
- Use good body language
- Speak only English in your classroom
- Contact your teacher beforehand if you have to miss class
- Follow your teacher's rules about phones; try to talk to your classmates face to face rather than staying on your phone at group meetings or before class starts.

Emergencies

Immigration Emergency After Hours

Please contact Towson University Police at 410 704 4444. They will contact the ISSO advisor on call.

Weather

Winter brings snow and ice which can sometimes make walking and driving risky. Check Edmodo Collaborate or the TU website for the latest information about weather-related closings or delays; the ELC follows the university's decision.

All Other Emergencies

Send a text message to the ELC Director on Edmodo Collaborate.

What to Do If You are Stopped and Questioned by Police

DOCUMENTS

- Keep copies of your passport and I-20 with you at all times.

- Make sure that your I-20 is always current - not expired.

YOUR ACTIONS WHEN TALKING TO POLICE

- Be calm and respectful at all times.
- If they tell you **NOT** to get out of the car, **DO NOT** get out of the car.
- Know whether you are speaking to state or local police or immigration officers.
- Do not give any false information.
- Before signing any documents, understand what the documents say.

IF YOU NEED HELP

- Call the ELC office at (410) 704 – 2552 or text the ELC Director on Edmodo
- Towson University Emergency number (410) 704 – 4444

Driving in the U.S.

If you have a car or are planning to drive in the United States, you must know and follow the driving rules. If you do not follow the rules, you could have very serious problems if the police stop you or if you have an accident.

- Driver's license rules
 - You can only use your home country's driver's license for your first 30 days here.
 - You can use your International driver's license for one year.
 - Go online for more information:
<http://www.mva.maryland.gov/drivers/apply/international-applicants.htm>
- If you have a car you must:
 - Have car insurance
 - Always have your license, registration, and proof of insurance when you drive
 - Register the car in your name
 - Pay ALL parking tickets

HEALTH INSURANCE AND IMMUNIZATIONS

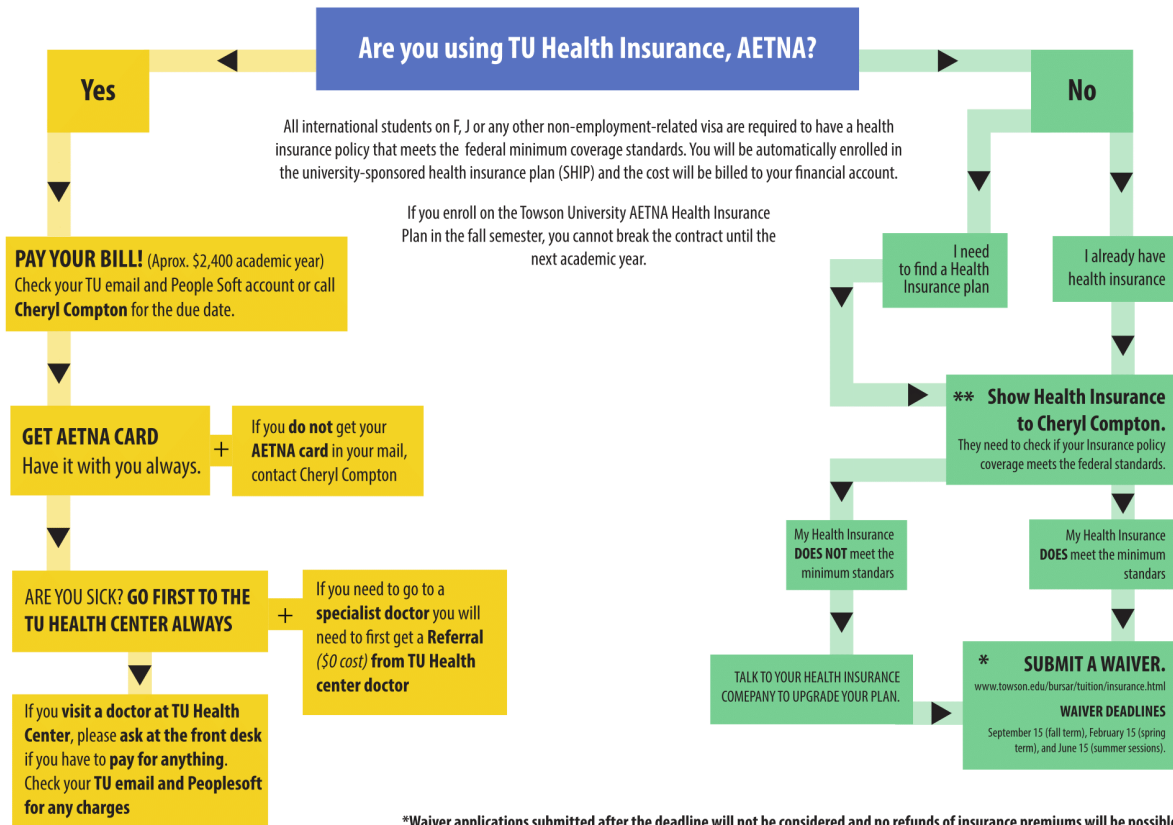

Towson University requires all students to have health insurance. This includes ELC students. The name of the health insurance company is AETNA. Students must purchase health insurance through Towson University OR complete a waiver and show proof that they have similar coverage. Here is a simple diagram to help you understand the process.

HEALTH INSURANCE

*Waiver applications submitted after the deadline will not be considered and no refunds of insurance premiums will be possible

**Students must come to my office with a copy of their insurance policy, brochure, pamphlet or summary of benefits chart as well as an insurance card

Towson University Health Insurance Summary

All Towson University international students must have:

Immunization Requirements

- MMR Immunization** (measles, mumps, rubella)
- Tdap Immunization** (tetanus, diphtheria, pertussis)
- TB Screening** (tuberculosis)

Send a copy of your immunization record BEFORE arrival. Bring proof of immunizations to orientation OR complete at the Towson University Health and Wellness Center during orientation.

Insurance Requirements

Health Insurance Plan

- Meets Towson University's Minimum standards
- All students will be automatically enrolled in AETNA, the TU Health Insurance plan
- A **Waiver** must be submitted if not taking the TU health insurance plan
- ID Card must be shown at every medical visit
- Temporary ID Card can be accessed online

Financial Responsibility

- Students will be billed for AETNA in the fall and spring semesters
- AETNA bill must be paid within the first three weeks of the semester. Payment is made at the Bursar's Office on the 3rd floor of Enrollment Services. Cash, credit (not debit) cards, money orders, or certified checks are accepted. The university can also accept payment through a personal checking account if you provide them with the routing number, account number, and proof of sufficient funds.
 - Additional costs: health insurance does not always cover all medical visits – additional personal costs are at times required.

See Appendix C for a detailed explanation of health insurance requirements.

Consequences of Failure to Complete TU Health Requirements

- If you do not present proof of immunization, you will have to be immunized at the Health Center at your own expense (unless you have AETNA, the TU health insurance plan).
- If your record is not up to date, or if you do not get the necessary immunizations, you will not be allowed to attend class until you show proof that you have gotten them.
- If you do not show proof that you have another insurance plan, you will not be allowed to attend class and will be marked absent until you show proof.
- If you do not pay for your health insurance by the due date, you will not be allowed to attend class and will be marked absent until you show proof that it is paid.

STUDENT SERVICES

The ELC staff and faculty aim to help students with their personal, immigration, and cultural adjustment questions and concerns while studying English with us at Towson University. A “home away from home,” our doors are always open to our students. We will do our best to listen and make referrals to the appropriate offices on campus where our students can get assistance.

The ELC and/or Towson University provide the following services to students:

Housing Information

ELC students do not live on campus unless

- It is summer semester
- They are conditionally admitted to Towson University

Most ELC students live near the university and along TU shuttle bus routes.

ELC students can find housing information by going to:

<https://www.towson.edu/academics/international/housing.html>

If you need assistance, please see a student worker or the Program Coordinator.

Parking and Transportation

Towson University offers several transportation options for students:

1. If you have a personal vehicle and wish to drive to campus, you must purchase a parking permit. Click on this link for student parking information:

<https://www.towson.edu/parking/student/>

2. Towson University operates a number of free shuttle services to and from campus. Click on this link for more information about how to use this service and locations served:

<https://www.towson.edu/parking/shuttle/offcampus.html>

3. Towson University operates free on-campus shuttle services. Click here for more information:

<https://www.towson.edu/parking/shuttle/oncampus.html>

4. Towson University operates a bikeshare program. Click here for more information:

<https://www.towson.edu/parking/alttransportation/bikeshare.html>

TU NetID and Email Account

When you register for ELC classes and pay your tuition, you will receive a netID so that you can set up a TU email account. All ELC students must have a TU email address. The ELC staff is available during orientation to help you with this process.

TU OneCard

TU's OneCard is your identification card as a student on campus. You can use it as a "debit" card to pay for services and meals. Your OneCard allows you access to many campus facilities and events. After you register and pay your tuition, the ELC staff will direct you how to get your OneCard. For more information about OneCard, go to: <https://www.towson.edu/campus/landmarks/union/ticketbusinessoffice/> or visit Auxiliary Services on the 1st floor of the University Union.

Health and Counseling

Health and Counseling Services is open 8:00-5:00 Monday through Friday. There is a number to call for medical advice after hours. See the website for complete information: <https://www.towson.edu/healthcenter/>

Safety and Security

All students have the right to feel safe and secure. Towson University has its own police department and emergency preparedness plans and procedures. Visit <https://www.towson.edu/studentlife/safety.html>.

Register for the Campus Emergency Notification System here: <https://www.towson.edu/publicsafety/notification/>

Disability Support Services

Students with documented disabilities may receive services from the Office of Disability Support

Services. The ELC Director or Program Coordinator will refer students to the office or will assist students with limited English proficiency to make appointments for services.

Title IX

During ELC Collaborate, students participate in a Title IX information session presented to males and females in separate groups. Title IX is a law that protects and supports students in situations of sexual misconduct.

Immigration and Legal Assistance

The ELC front desk staff will be able to answer general immigration questions for you. If they can't, they will contact or refer you to a member of the International Students and Scholars Office (ISSO): <https://www.towson.edu/academics/international/isso/>

If you need a lawyer, please contact the ISSO for assistance. The ELC cannot recommend lawyers.

Advising

The ELC recognizes that international students need support and assistance for the many

challenges they face and the questions they have. We offer the following types of advising:

THE WORLD BEYOND YOUR CLASSROOM

ELC Events

- The ELC is a community of learners. We believe that learning a new language involves more than just the classroom experience. Each semester the ELC holds a number of social events that bring us together. These include a welcome and goodbye party, a field trip, a service learning opportunity, and holiday-themed activities depending on the season. Your \$175 activity fee covers the cost of these activities. We encourage you to attend. The social calendar is posted on the notice boards outside the main office in ES101.
- All ELC students are invited and encouraged to join the Conversation Partners program, which pairs an ELC student with a Towson University student. You will get information about this at ELC Collaborate.

International Student Association

We encourage our students to become members of the TU International Student Association, which meets weekly and holds cultural activities.

<https://involved.towson.edu/organization/internationalstudentassociation>

Campus Events

Towson University also holds many free or inexpensive events open to all students. For full details, see <https://www.towson.edu/studentlife/activities/>.

Recreation

Towson University offers a wide range of recreational opportunities that are available to ELC students. For details, visit: <https://www.towson.edu/studentlife/activities/recreation/campusrec/>

Clubs and Organizations

For information about student clubs and organizations, go to:

<https://www.towson.edu/studentlife/activities/clubsorgs/>

Campus Facilities

ELC students have access to the same campus facilities that all TU students enjoy. These include the Health and Wellness Center, Cook Library, Burdick gym, cafeterias, and many more.

Visit <https://www.towson.edu/studentlife/services/> for more information.

HEALTH INSURANCE AND IMMUNIZATION REQUIREMENTS

Towson University Health and Wellness Center

<https://www.towson.edu/healthcenter/international.html>

Minimum Health Insurance Standards – International Students

All international students MUST have a health insurance policy while studying in the United States. Your health insurance policy MUST meet Towson University's minimum health insurance standards.

<https://www.towson.edu/healthcenter/documents/minimum-health-insurance-standards-updated-2015.pdf>

Are you on an F or J Visa or a dependent of an F or J Visa?

YES

1. When you register for the ELC, you will automatically get health insurance from the Towson Sponsored Student Health Insurance Plan (SHIP) through AETNA Student Health.
<https://www.aetnastudenthealth.com/students/student-connection.aspx?GroupID=890420>
2. Towson University will charge your student account for the AETNA plan. **The bill for AETNA is your responsibility.**
3. AETNA provides you with an annual plan divided into two payments: One payment is due in the fall semester, and one payment is due in the spring semester. Students who **begin** in the summer semester will be billed an additional fee just for the summer semester. The annual costs are posted online.
4. On the AETNA plan, you may be responsible for fees or a \$15 co-pay depending on the type of visit. Most insurance plans in the U.S. do not cover all costs of service and sometimes require additional payments. **The bills for any additional services received at the TU Health Center are also your responsibility.**
5. Bills may take up to three weeks to post to your TU account. Please note: You must check your account regularly as accounts with outstanding balances will be sent to collections.

6. If you are a dependent of a student on an F1 or J1 Visa and have health insurance through your spouse or family member, you must submit proof of coverage.
7. **Every time you visit the health center or any other medical facility in the U.S., you must show your health insurance card.**
8. Follow this link to find and print your temporary AETNA card online.
<https://www.aetnastudenthealth.com/students/studentconnection.aspx?groupID=890420&PageID=login>

SPONSORED STUDENTS PLEASE CONTACT Pegah Hedayatpour at ssp@towson.edu if you have any questions.

Do you want to use your own health insurance?

NO

1. Pay your AETNA health insurance billed to your Towson University tuition account.

YES

1. No payment is necessary for AETNA health insurance, but you must submit a WAIVER request by the deadlines of February 15 (spring), June 15 (summer), or September 15 (fall). <https://students.aetnastudenthealth.com/welcome.aspx?groupid=890420>

****A WAIVER is an official document stating that you are opting out of the AETNA plan because you have health insurance that meets the TU minimum standards.**

****If you do not submit a waiver by the term deadline, you will be billed for AETNA, and you will be responsible for the bill.**

2. Submit proof of insurance that meets Towson University's minimum health insurance standards listed here:
 - A maximum benefit of at least \$200,000 (U.S.) per accident or sickness per policy OR a lifetime maximum of at least \$500,00
 - No exclusion for pre-existing conditions or a plan that has been in force long enough to meet any required waiting time for coverage of pre-existing conditions
 - Coverage for all medically necessary care, including in-patient and out-patient care, both routine and emergency care in the Baltimore Metro Area. (Plans that include emergency care ONLY do NOT satisfy this requirement.)
 - A maximum deductible for \$500 (U.S.) per policy year

- **Prescription drug coverage** of at least \$2000 (U.S.) per policy year
- Coverage for **reproductive health care**, including contraception, pregnancy, and maternity care (females only)
- Coverage for in-patient and out-patient **mental health** care, including treatment for substance and alcohol abuse
- A **medical evacuation benefit** (to return you to your country of residence if you are seriously ill) of at least \$50,000 (U.S.)
- A **repatriation benefit** (in case of death, to return your remains to your country of residence) of at least \$25,000 (U.S.)
- No exclusions for injury sustained as a result of a covered motor vehicle accident, a suicide attempt, alcohol or drug use.
- No maximum daily limit on in-patient hospitalization and intensive care services
- No maximum limit on out-patient services, including diagnostic lab and x-ray tests
- Provided by a company licensed to do business in the United States with a U.S. claims payment office and a U.S. phone number
- Proof of plan coverage for the full academic year (September through May) or for as long as you remain in the U.S., including summer; exceptions will be made for students entering or graduating mid-year

<https://www.towson.edu/healthcenter/documents/minimum-health-insurance-standards-updated-2015.pdf>

****DURING ORIENTATION, you MUST show your insurance policy plan to Cheryl Compton at the TU Health Center to ensure that it meets the minimum standards. If not, you will remain on the AETNA plan and will have to pay for the AETNA plan.**

NOTE: Waiver applications must be filed during the **first semester at Towson University** and again **every semester** by the deadline (February 15, spring; June 15 summer; September 15, fall). If you submit your waivers after the deadline, it will not be accepted and your insurance fees will NOT be refunded.

**Are you on a B or any other Visa?
Are you a part-time student?**

1. You can purchase a monthly plan if you are only staying short-term. Ask about the plans that are available by contacting Cheryl Compton at 410-704-3703.

2. You will be billed monthly.
3. You must show proof of immunization. (See below).

****If you receive any services from the TU Health Center, you are responsible for the bills, additional charges, and co-payments.**

Immunization Requirements

All international students, regardless of visa type, MUST show proof of the following immunizations.

You can get your immunizations at the Health and Wellness Center or in your country.

1. Two MMRs (Mumps, Measles, Rubella)

- First dose received MUST be after first birthday.
- Second dose must be received at least 4 weeks after the first dose.
- If no documentation is available, a titer (or blood test) that shows immunity is acceptable.

2. Tdap (Tetanus, Diphtheria, Pertussis)

- Received after age 10

<https://www.towson.edu/healthcenter/immunizations.html>

Please send a translated, legible copy of your immunization record after you submit your application or before you arrive in the U.S.

Here is an example of an acceptable immunization form.

<https://www.towson.edu/healthcenter/documents/2016immunizationform.pdf>

****If the ELC does not have this information on the first day or Orientation, you will have to get and pay for the immunizations at the Health Center.**

Tuberculosis Screening

All students are required to get a TB test. You can have this test at Towson University when you arrive for orientation, or if you had this test within the past six months, you can give the Health Center your test results.

If you were born or if you have lived outside the United States, you have to get a blood test called **Quantiferon Gold**. You cannot do the TB skin test.

If the test is positive, you have to get a chest X-ray

- If the X-ray is done in the U.S., the result is acceptable.
- If the X-ray is done outside the U.S., ONLY the X-Ray image is acceptable.

(A written explanation of the non-U.S. X-Ray is not accepted. The explanation must come with the image.)

APPENDIX D

APPENDIX G STUDENT COMPLAINT FORM

Complaint Form

Students: Use this form if you have a formal complaint (see definition) that you have not been able to resolve.

A formal complaint is a problem you have with an employee of the ELC or Towson University (teacher or office staff), another student, or with an ELC course or policy which results in your feeling unsafe or unfairly treated. A formal complaint means you have tried to solve this problem, but you are still unsatisfied and need to speak with the ELC Director.
