

READ THIS FIRST!! Have you been fully vaccinated with a [WHO-authorized COVID-19 vaccine](#)?

People are considered fully vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, OR
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

IF YOU DO NOT MEET THESE REQUIREMENTS YOU ARE NOT FULLY VACCINATED

IMPORTANT: Until you are fully vaccinated with a WHO-authorized COVID-19 vaccine and your vaccination has been verified by the Towson University Health Center, you must:

- Wear a mask
- Participate in the University COVID 'Sentinel' testing program twice a week
- Complete the daily COVID [QuickScan](#)

WHICH OF THE FOLLOWING APPLIES TO YOU?

- I will be FULLY vaccinated (**14 days since the final dose**) with a WHO-authorized COVID-19 vaccine when I arrive in the U.S. **Follow the instructions for [GROUP A](#) below.**
- I will NOT BE FULLY vaccinated (**less than 14 days since the final dose**) with a WHO-authorized COVID-19 vaccine when I arrive in the U.S. **Follow the instructions for [GROUP B](#) below.**
- I will NOT BE FULLY vaccinated (**only received one of two doses**) with a WHO-authorized COVID-19 vaccine when I arrive in the U.S. **Follow the instructions for [GROUP C](#) below.**
- I will NOT BE FULLY vaccinated (**have not received any doses**) with a WHO-authorized COVID-19 vaccine when I arrive in the U.S. **Follow the instructions for [GROUP D](#) below.**

[GROUP A:](#) Instructions for TU international students who are FULLY vaccinated (14 days since the final dose**) with a WHO-authorized COVID-19 vaccine upon arrival for the fall 2021 semester:**

- Earliest permitted arrival date into the U.S. is July 24, 2021
- Submit proof of vaccination and be approved through TU's verification portal - www.towson.edu/vaxverify as soon as possible (must be done prior to arrival)
- If you will be living on campus for the fall semester, you may move in starting [August 20, 2021](#)
- Obtain a PCR test 3-5 days after arrival
 - No quarantine is required while you're waiting to have your test but you must wear a mask in all indoor campus locations, when in a healthcare setting, and on public transportation
 - Book a test appointment with the University Health Center at www.towson.edu/coronavirus/testing/ (up to three weeks in advance) or get tested off-campus. **When you go to your test appointment, you must let them know you are an international student and need a PCR (not a rapid) test.**
 - Once you receive a negative result you may begin attending orientation, classes, and campus events. If you got tested off-campus, submit your test result at <https://towsonu.tfaforms.net/218661>.
 - If the test result is positive and you got tested on campus, you will be contacted regarding isolation instructions.
 - If the test result is positive and you got tested off campus, self-isolate immediately, submit your test result at <https://towsonu.tfaforms.net/218661>, and wait for instructions from the University Health Center. *Note:* On-campus isolation will only be available to students living in University housing.

GROUP B: Instructions for TU international students who are NOT FULLY vaccinated (less than 14 days since final dose) with a WHO-authorized COVID-19 vaccine upon arrival for the fall 2021 semester:

- Submit proof of vaccination and be approved through TU's verification portal - www.towson.edu/vaxverify as soon as possible (must be done prior to arrival)
- Begin quarantine immediately upon arrival in the U.S. either in University housing (if living on campus) or off-campus
 - If you will be living on campus for the fall semester, designated quarantine University housing will be available beginning on August 16, 2021. You must notify the ISSO by August 8 if you will need to quarantine on campus. Upon arrival in the U.S., go directly to the designated University quarantine housing ([Residences at 10 West Burke Avenue](#), Towson, MD 21286). Students can only check-in between 6 am and 11 pm EST.
- Obtain a PCR test 3-5 days after arrival
 - Book a test appointment with the University Health Center at www.towson.edu/coronavirus/testing/ (up to three weeks in advance) or get tested off-campus. **When you go to your test appointment, you must let them know you are an international student and need a PCR (not a rapid) test.**
 - If the test result is negative and you got tested off-campus, submit your test result at <https://towsonu.tfaforms.net/218661>
 - If the test result is positive and you got tested on campus, you will be contacted regarding isolation instructions
 - If the test result is positive and you got tested off campus, self-isolate immediately, submit your test result at <https://towsonu.tfaforms.net/218661>, and wait for instructions from the University Health Center. *Note:* On-campus isolation will only be available to students living in University housing.
- Once you have received a negative test result AND either 14 days has passed since your final dose OR you have completed 7 days in quarantine - whichever comes first, you may begin attending orientation, classes, and campus events. Students living on campus will move into their regular assigned University housing for the remainder of the semester.
- **IMPORTANT:** Until you are fully vaccinated and your vaccination has been verified by the University Health Center, you must:
 - Wear a mask in all indoor campus locations, when in a healthcare setting, and on public transportation
 - Undergo mandatory COVID-19 testing twice a week
 - Complete the Tigers Care COVID [QuickScan](#) daily

GROUP C: Instructions for TU international students who are NOT FULLY vaccinated (only received one of two dose vaccine) with a WHO-authorized COVID-19 vaccine upon arrival for the fall 2021 semester:

- Begin 7-day quarantine immediately upon arrival in the U.S. either in University housing (if living on campus) or off-campus
 - If you will be living on campus for the fall semester, designated quarantine University housing will be available beginning on August 16, 2021. You must notify the ISSO by August 8 if you will need to quarantine on campus. Upon arrival in the U.S., go directly to the designated University quarantine housing ([Residences at 10 West Burke Avenue](#), Towson, MD 21286). Students can only check-in between 6 am and 11 pm EST.
- Obtain a PCR test 3-5 days after arrival
 - Book a test appointment with the University Health Center at www.towson.edu/coronavirus/testing/ (up to three weeks in advance) or get tested off-campus. **When you go to your test appointment, you must let them know you are an international student and need a PCR (not a rapid) test.**
 - If the test result is negative and you got tested off-campus, submit your test result at <https://towsonu.tfaforms.net/218661>
 - If the test result is positive and you got tested on campus, you will be contacted regarding isolation instructions

- If the test result is positive and you got tested off campus, self-isolate immediately, submit your test result at <https://towsonu.tfaforms.net/218661>, and wait for instructions from the University Health Center. *Note:* On-campus isolation will only be available to students living in University housing.
- Get the second dose of your COVID vaccine – only the Moderna and Pfizer vaccine are available in the U.S.
 - Check www.vaccines.gov to find a vaccination location near you. *Note:* Use '21252' for the zip code if living in university housing or use the zip code of your off-campus address.
 - Submit proof of your complete vaccination and be approved through TU's verification portal once you receive your final dose - www.towson.edu/vaxverify
- Once you have completed 7 days in quarantine AND received a negative test result, you may begin attending orientation, classes, and campus events. Students living on campus will move into their regular assigned University housing for the remainder of the semester.
- **IMPORTANT:** Until you are fully vaccinated and your vaccination has been verified by the University Health Center, you must:
 - Wear a mask in all indoor campus locations, when in a healthcare setting, and on public transportation
 - Undergo mandatory COVID-19 testing twice a week
 - Complete the Tigers Care COVID [QuickScan](#) daily

GROUP D: Instructions for TU international students who are NOT FULLY vaccinated (have not received any vaccine) with a WHO-authorized COVID-19 vaccine upon arrival for the fall 2021 semester:

- Begin 7-day quarantine immediately upon arrival in the U.S. either in University housing (if living on campus) or off-campus
 - If you will be living on campus for the fall semester, designated quarantine University housing will be available beginning on August 16, 2021. You must notify the ISSO by August 8 if you will need to quarantine on campus. Upon arrival in the U.S., go directly to the designated University quarantine housing ([Residences at 10 West Burke Avenue](#), Towson, MD 21286). Students can only check-in between 6 am and 11 pm EST.
- Obtain a PCR test 3-5 days after arrival
 - Book a test appointment with the University Health Center at www.towson.edu/coronavirus/testing/ (up to three weeks in advance) or get tested off-campus. **When you go to your test appointment, you must let them know you are an international student and need a PCR (not a rapid) test.**
 - If the test result is negative and you got tested off-campus, submit your test result at <https://towsonu.tfaforms.net/218661>
