Request to Invite an Exchange Visitor

J-1 Temporary, Non-Immigrant Visa for Academic Exchanges

Summary of Steps:

(1) Please first call the ISSO to let us know about your prospective exchange activity. At that time, we can be sure that the J-1 visa is feasible for your prospective visitor or discuss other options.

(2) Complete this entire form, obtain needed signatures of approval, attach all required documentation, and submit to ISSO. (Many sections of this form require information from your visitor, but the form should be completed by the TU faculty member who will coordinate the exchange, NOT by the prospective visitor.)

(3) The ISSO will request final approval from the Associate Provost, obtain a university ID number, issue the letter of invitation, create a record in the Department of Homeland Security’s information system, download and print the J-1 visa application certificate (Form DS-2019), and prepare the visa/invitation packet. ISSO turn-around time is 3-10 days, depending on the time of year.

(4) Faculty member coordinating the visit will then pick up and express mail the invitation/DS-2019 packet to the visitor, hopefully with the assistance of his/her department administrative assistant.

3. "A documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option"

Please state which method you used to verify the applicants English language proficiency and attach a copy for evidence to provide to the Student Exchange Visitor Program upon request:
