About the Program

Students living in or near northeastern Maryland can have all the perks of being enrolled at Towson University with the convenience of taking classes in their backyard.

If you complete one of the following programs, you will be able to transfer to Towson University in Northeastern Maryland:

- Harford Community College’s Associate of Applied Science in Computer Information Systems (CIS)
- Harford Community College’s Associate of Applied Science in Information Assurance & Cybersecurity
- Cecil College’s Associate of Applied Science in CIS – Programming Option

Academic Advantages

- Small classes and highly individualized advising
- Research and internship opportunities through partnerships with federal, state and local government agencies and the IT industry
- State-of-the-art facilities and equipment
- Excellent faculty with diverse research specialties
- Competitive accreditations and designations reflecting high quality academics and faculty expertise
- Location along the Baltimore-Washington corridor with its thriving high-tech industry and government agencies in need of highly skilled professionals

Example Course Descriptions

**CIS 377 Information System Security**  Information systems security threats, technologies and business requirements, emphasizing human and technological aspects of IT security problems.

**ITEC 345 Scripting Languages**  Provides students with a solid foundation in the concepts which underlie many scripting languages and environments without focusing exclusively on any on e-language. Student will develop, test, and execute programs in a hands-on environment.

**ITEC 325 System Administration & Maintenance**  Essentials for effective administration and maintenance of applications, operating systems and networks, including IT system documentation, policies and procedures, and the education and support of the users of these systems.

**COSC 418 Ethics and Societal Concerns for CS**  Ethical questions and societal concerns related to the widespread use of computers and the resulting responsibilities of computer scientists.

**ITEC 411 System Architecture and Integration**  Architecture and integration of systems. Gathering requirements, sourcing, evaluating and integrating components into a single system. It also covers the fundamentals of project management and the interplay between IT applications and organizational processes.

**CIS 435 Human Computer Interaction**  Effective, productive information systems, including interactive computer systems, input and output devices, screen layouts, machine design, health issues, organizational impacts, and computers and the disabled.

**ITEC 485 IT Capstone**  Design and implement an IT project with consideration for real-world issues including cost, safety, efficiency, and suitability for the intended user. Display ability to integrate and apply critical technical skills with a variety of management concepts, principles, techniques, and practices, while effectively managing people, information, information and communication technologies, and business processes for the organizational strategic goals.
Harford Community College: Associate of Applied Sciences (A.A.S) in Computer Information Systems

Towson University: Bachelor’s Degree (B.S.) in Information Technology

Towson University offers students the opportunity to obtain a bachelor’s degree (B.S.) in Information Technology without ever leaving Harford County! Students who complete HCC’s Associate of Applied Sciences (A.A.S) in Computer Information Systems will be eligible to transfer to the TU in Northeastern Maryland facility on the Harford Community College campus to earn a bachelor’s degree.

Recommended Course Schedule Sequence at Harford Community College

**NOTE:** The following codes identify courses which satisfy the General Education Requirements at HCC:

- **GB** Behavioral/Social Science
- **GH** Arts/Humanities
- **GM** Mathematics
- **GL** Biological/Physical Laboratory Science
- **GE** English Composition
- **GI** Interdisciplinary & Emerging Issues
- **GS** Biological/Physical Science

**TO SATISFY THE DIVERSITY REQUIREMENT:** Associate degree students must complete one 3-credit diversity course **D**. It is recommended that students select one of the 3-credit **GB, GH, GI** course electives from those that appear on the approved list of diversity course graduation requirements.

At HCC, future transfer students may earn credits that count toward the Core Curriculum requirements at Towson University. These Core requirements consist of a minimum of 40 units of coursework in 13 categories.

B.S. in Information Technology
Towson University in Northeastern Maryland

Total Units to Complete
60 Transferred credits from HCC
33 TU Information Technology Program
15-16 TU Core Requirements
10-12 General Electives
120 Total for Graduation

Core General Education Courses Needed
Core 8 Biological & Physical Sciences (3-4)
Core 9 Advanced Writing Seminar (3): ENGL 317 Required
Core 10 Metropolitan Perspectives (3)
Core 12 Global Perspectives (3)
Core 13 Diversity & Difference (3)
Core 14 Ethical Issues & Perspectives (3): COSC 418 Required

First Fall Term (15 units)
CIS 377: Information System Security (3)
ITEC 345: Scripting Languages (IT Elective) (3)
PHYS 103: How Things Work (3) (Core 8)
FMST 201: Family Resources (3) (Core 10)
GEOG 102: World Regional Geography (3) (Core 12)

First Spring Term (15 units)
ITEC 325: System Administration & Maintenance (3)
ITEC 315: Data and Information Management (3)
ENGL 317: Writing for Business & Industry (3) (9)
PHIL 204: Race, Class, & Gender (3) (Core 13)
General Elective (3)

Second Fall Term (15 units)
COSC 418: Ethics and Societal Concerns for CS (3) (14)
ITEC 411: System Architecture and Integration (3)
IT Elective (3)
General Elective (3)
General Elective (3)

Second Spring Term (15 units)
CIS 435: Human Computer Interaction (3)
ITEC 485: IT Capstone (3)
IT Elective (3)
IT Elective (3)
General Elective (3)

**General Information**
TU in Northeastern Maryland
510 Thomas Run Road • Bel Air, MD 21015
410-704-TUNE (8863) • TUNEMD@towson.edu

**Dr. Scott Hilberg**
Director, Information Technology Program
in Northeastern Maryland
410-704-5277 • shilberg@towson.edu
Three reasons why you may want to apply to...

Same Quality Programs. Same Quality Degree.

- Students receive a Bachelors degree awarded by Towson University. The programs at TUNE are identical to those on main campus.
- All programs are Maryland Higher Education Commission (MHEC) approved.
- Many of the same instructors who teach on the main campus also teach TUNE courses.
- Established partnerships with local community colleges provide a seamless transfer and assure maximum transfer credit.

Save Money.

- Towson University offers reduced fees for fulltime TU in Northeastern Maryland students. Parking is also free and convenient. TUNE students will save more than $1,500 per year compared to students on the main campus.
- By submitting the FAFSA, students are eligible for the same Financial Aid packages that are awarded to main campus students.
- TU is currently offering a need-based grant to students enrolled in at least 12 units of classes at the TUNE location. Selected recipients will receive a $2,000 grant ($1,000 per term) for Fall and Spring semesters.
- Room & Board on the main campus also costs approximately $11,000 per academic year, which is money our commuters can save.

Convenient. Close to Home.

- Program advisors and admissions representatives hold regular office hours on-site.
- A fulltime Director of Student Services organizes diverse student life events to bring the full college experience to TUNE.
- Student employment opportunities are available.
- Select programs offer local internship opportunities in Harford County.
- Fulltime TUNE students have access to Harford Community College’s fitness facilities.
- TUNE has its own bookstore where students may purchase class materials, TU apparel, and much more.
How to Apply to Towson University in Northeastern Maryland

1. To access the online application, please visit our webpage at www.towson.edu/tunemdn and click on the “Apply Now” link in the right-hand sidebar. You can also visit the application directly at the following URL: http://www.towson.edu/admissions/undergrad/transfer/tune.html

2. Find out if your intended major has additional requirements. Some majors have additional requirements or screening criteria, such as prerequisite courses, supplemental applications, GPA requirements, or passing Praxis scores. *Admission to Towson University does not guarantee entry into these majors.* The following programs at TUNE have additional requirements: Business Administration - Leadership & Management concentration, Elementary Education/Special Education, Early Childhood/Special Education, and Nursing.

3. Please read the application instructions carefully. Allow yourself approximately 20-30 minutes to complete the application honestly and fully. A $45 non-deferrable, non-refundable fee is required with your application. You will be able to pay the application fee with a credit card or electronic check.

4. Do not forget to have your official transcript (no grade reports or print-outs) sent to Admissions via email to: Admissions_Documents@towson.edu [Some schools will send electronically to TU.] or via postal mail to:
   - Towson University
   - Office of Undergraduate Admissions
   - 8000 York Road
   - Towson, MD 21252

The Deadlines

The final application deadline is **June 15** for fall admission and **December 15** for spring admission. The application will remain open on a space-available basis.

To be considered for merit-based scholarships offered through University Admissions, you must apply and submit your transcripts and standardized test scores (if you have earned fewer than 30 transferrable credits) by **December 1**.

The TU Priority Deadline for the FASFA is **January 17**.

Questions?

Admissions staff will be on-site in Harford County at regular times throughout the semester. Please call us at **410-704-TUNE (8863)** to make an appointment to meet with an Admissions counselor if you have questions regarding transfer of credits or the application process.
