

PROGRAM
TRANSFER GUIDE

This transfer guide is intended for students pursuing an Associate Degree in Psychology at AACCC who are interested in pursuing a Bachelor's Degree in Psychology at Towson University. This transfer guide outlines the courses and program requirements a student should follow to satisfy degree requirements at AACCC in order to complete both the AACCC and TU degrees within a total of 4 years and 120 credits.

TOTAL CREDITS: 15		TOTAL CREDITS: 15	

* Denotes course that must be completed with a grade of C or better ** Must consult with a TU Academic Advisor © Core Curriculum

Notes & Recommendations from Towson University:

*Core 1 at TU is automatically waived for all transfer students.
*Students must follow the course selections outlined in this agreement. Failing to complete the specified courses will require them to fulfill remaining requirements at TU and could jeopardize their ability to earn a bachelor's degree within two years.
*Courses with the ♦ symbol are recommendations only; consult with advising for alternate options to complete all coursework within four years. A course number beginning with T or F indicates that it is a lower-level equivalent of an upper-level TU course.
*Course equivalents ending in TLL are general lower-level elective coursework at TU.
*All Psychology majors must complete a minimum of 25 units in Psychology (PSYC) courses toward the major at Towson University.
*The TU Department of Psychology offers undergraduates two options beyond the completion of the general undergraduate concentration: a Clinical Psychology Area of Focus and an Honors Thesis in Psychology option. Consult TU catalog for requirements and deadlines.

Bachelor's degree requirements for all students:

- A cumulative grade point average (GPA) of 2.0 is required.
- A C grade (2.0 GPA) or higher is required for all major courses and prerequisites.
- 32 credits of the bachelor's degree must be completed at the upper level (courses numbered 300 or above) at TU
