Notes & Recommendations from Towson University:

*Core 1 at TU is automatically waived for all transfer students.
*Course equivalents ending in TLL are general lower-level elective coursework at TU.
*Students must follow the course selections outlined in this agreement. Failing to complete the specified courses will require them to fulfill remaining requirements at TU and could jeopardize their ability to earn a bachelor's degree within two years.
*A course number beginning with T or F indicates that it is a lower-level equivalent of an upper-level TU course. These courses will not count toward the TU degree requirement for 32 upper-level units.
*This is a screened major. See TU catalog for more details.
