Restrictions:

- Selected recipients will be required to write an acknowledgement letter to the Bernard Osher Foundation describing how this award will impact their educational and career goals. The Development Office will contact you to complete this task. Submission of this application indicates your consent to adhere to this requirement. Failure to honor this requirement may result in forfeiture of the award.

- The purpose of this award is to defray the cost of tuition for eligible students. Students receiving tuitions waivers, employer reimbursement for tuition or other tuition-specific assistance are not eligible. Please note that you cannot receive two tuition-specific scholarship awards, which when combined, equal an amount greater than tuition. Hence, if you are awarded another tuition-specific scholarship award (i.e. Charlotte W. Newcombe Award) you may be ineligible for the Osher Reentry Scholarship award.

- This award is not intended for students who are exclusively enrolled in online courses or for international students who are visiting the United States with the intention of returning to their country of origin after graduation. Students taking on-line courses as part of a traditional degree program are eligible, as are international students who intend to remain in the workforce in the United States for at least 8 years.

Meeting all eligibility criteria does not guarantee selection as limited funds are available.
