Useful Websites to Study & Practice for the Accuplacer® Placement Test

All Subjects:
http://ccbcmd.edu/testing/assessments.html
This site contains the CCBC Guide to Assessment and Placement as well as a useful video about what you need to know before taking the placement test. You should read this thoroughly and watch the video before testing or re-testing. Sample questions and answers are at the end.

http://www.aims.edu/student/testing/studyguides/ - Aims Community College has put together some helpful study guides in reading, sentence skills and math for students preparing for the Accuplacer exam.

http://go.osuit.edu/student/assessment/compass - Click on the links to the PDFs titled Sentence Skills, Reading, and Elementary Algebra

There’s an app for that! Go to http://accuplacer.collegeboard.org/students/prepare-for-accuplacer for more information.
There is an official study app that can be downloaded from i-tunes or your computer. NOTE: A fee may apply.

Sentence Skills:
http://ux.brookdalecc.edu/fac/writing/095/practice/welaccplprsentsk.html
This site has sample questions, answers, explanations, and test taking tips. There is a lot of information here.

http://owl.english.purdue.edu/owl/
Click on “General Writing” link for help with grammar, punctuation, mechanics, etc. There is a lot of information here on building your writing skills.

Reading:
http://ux.brookdalecc.edu/fac/reading/mhurley/questions/Instructions.htm
This looks very similar to the Accuplacer® placement test with 20 questions. Correct answers/explanations are given as you go!

http://www.cpcc.edu/testing_assessment/placement-testing/accuplacer-study-guides/cpcc-accuplacer-reading-and-english-review-videos - A helpful website for visual learners

Math:
http://www.riosalado.edu/testing/placement/Pages/Math-Practice-Placement.aspx# - provides online practice tests for arithmetic, elementary algebra, and college level math.

http://www.cpcc.edu/testing_assessment/placement-testing/accuplacer-study-guides/additional-math-resources - lists numerous helpful links including video demonstrations and study guides.
