- *Course equivalents ending in TLL are general lower-level elective coursework at TU.
- * Business Administration is a screened major at TU; see current TU catalog for details and requirements, including GPA requirements.
- *Business Administration majors at TU select one of 11 tracks/concentrations that currently vary from 21-24 credits. Please consult with a TU advisor about completing track coursework.
- * Students who do not test directly into AACC's MAT 230 may use the prerequisite math course to satisfy an elective.

- A C grade (2.0 GPA) or higher is required for all major courses and prerequisites.
