

Program Transfer Articulation Addendum

Bachelor's Degree in Exercise Science

This Program Transfer Articulation Addendum (this "Addendum") effective as the date of the last signature below, is entered into pursuant to the Umbrella Program Transfer Agreement (the "Transfer Agreement") dated July 18, 2025, by and between Anne Arundel Community College ("AACC") and Towson University ("TU" and collectively with AACC, the "Parties"), and is incorporated into the Transfer Agreement. Unless specifically modified in this Addendum, all terms and conditions in the Transfer Agreement shall remain in full force and effect. Should any conflict exist between the Transfer Agreement and this Addendum, the terms and conditions of the Transfer Agreement shall prevail.

This Addendum establishes an articulated transfer pathway ("Pathway") in which students from the Kinesiology, A.S. at AACC may seamlessly transfer into the Bachelor Degree in Exercise Science at TU. For each degree program listed, a 2+2 Articulation Agreement shall be attached to this Addendum hereto and incorporated herein detailing the course equivalencies, general education, and major requirements, as well as any special admission and other additional requirements, necessary for AACC students to transfer into the aforementioned Bachelor's Degree in Exercise Science at TU and successfully complete a bachelor's degree.

For the Pathway included in this Addendum, both Parties agree that faculty representatives from both institutions will meet regularly to engage in ongoing discussion to enhance and strengthen this collaboration and agree to update the Pathway and/or associated 2+2 Articulation Agreement whenever substantive changes in the degree programs listed occur at either AACC or TU.

IN WITNESS WHEREOF, the Parties hereby have caused this Addendum to be executed by their duly authorized representatives.

PROGRAM TRANSFER GUIDE

This transfer guide is intended for students pursuing an Associate Degree in Kinesiology at Anne Arundel Community College (AACC) who are interested in pursuing a Bachelor's Degree in Exercise Science at Towson University. This transfer guide outlines the courses and program requirements a student should follow to satisfy degree requirements at AACC in order to complete both the AACC and TU degrees within a total of 4 years and 120 credits.

Associate Degree in Kinesiology

Effective Term:

Bachelor's Degree in Exercise Science

Spring 2026

YEAR 1 - Anne Arundel Community College

Fall	TU Equivalent	Credits	Spring	TU Equivalent	Credits
ENG 101 - Academic Writing and Research 1 *© (TU Core 2)	ENGL 102	3	ENG 102 - Academic Writing and Research 2 © (TU Core 12)	ENGL TLL	3
MAT 137 College Algebra ♦ © (TU Core 3)	MATH 115	3	HEA 111 - Personal and Community Health*	HLTH 101	3

Approved Upper-Level Major Elective (consult TU catalog)*	3		
Elective	6		
TOTAL CREDITS: 15		TOTAL CREDITS: 15	

Notes & Recommendations from Towson University:

- *Core 1 at TU is automatically waived for all transfer students.
- * Students must follow the course selections outlined in this agreement. Failing to complete the specified courses will require them to fulfill remaining requirements at TU and could jeopardize their ability to earn a bachelor's degree within two years.
- *Courses with the ♦ symbol are recommendations only; consult with advising for alternate options to complete all coursework within four years.
- * Course equivalents ending in TLL are general lower-level elective coursework at TU.
- * When selecting electives, be mindful of the TU upper-level course requirement.
- *A course number beginning with T or F indicates that it is a lower-level equivalent of an upper-level TU course. These courses will not count toward the TU degree requirement for 32 upper-level units.

Bachelor's degree requirements for all students:

- A cumulative grade point average (GPA) of 2.0 is required.
- A C grade (2.0 GPA) or higher is required for all major courses and prerequisites.
- 32 credits of the bachelor's degree must be completed at the upper level (courses numbered 300 or above) at TU
