MEMORANDUM OF UNDERSTANDING
COMMUNITY COLLEGE OF BALTIMORE COUNTY AND
TOWSON UNIVERSITY
September 1, 2016

ALLIED HEALTH: B.T.P.S. Degree

Community College of Baltimore County, Catonsville, Maryland, and Towson University, agree
to follow the articulation of courses outlined in the articulation (course equivalency) document,
for completion of requirements for the Bachelor of Technical or Professional Studies degree in
Allied Health (Attachment A), which is attached to, and incorporated by reference into, this
Memorandum of Understanding (MOU). The following principles guide the operation of this
MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

1. Towson University will accept a maximum number of 64 credits from Community
College of Baltimore County as outlined in the Attachment A. The number of
transferable credits specific to this program is reflected in Attachment A.

2. Students who have completed the Associate of Applied Science Degree in the Emergency
Medical Technology program at Community College of Baltimore County may transfer
into Towson University’s Allied Health program with junior standing provided that the
student has completed all courses identified on Attachment A (which is attached to, and
incorporated by reference into, this MOU) with a cumulative GPA of 2.00 or higher.
Courses completed at Community College of Baltimore County with 300 or 400 level
Towson University course equivalencies will transfer as lower-level credit but will satisfy
course content as indicated.

3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major
at Towson University.

4. In accordance with the MHEC transfer policy pertaining to general education
requirements, Towson University will accept the completion of Community College of
Baltimore County’s general education requirements (GenEds) and students will be
required to complete courses at Towson University to satisfy the remaining University
Core requirements as shown in Attachment A.

5. Towson University recognizes college-level experiential learning gained through previous
work, military and/or volunteer service or life experience. Credit for prior learning may
also be established through course challenge or standardized credit by examination.

6. Community College of Baltimore County students transferring to Towson University will
be given every consideration for financial aid and will be eligible to compete for academic
scholarships upon entrance to Towson University subject to stated scholarship deadlines.

7. Both Community College of Baltimore County and Towson University agree to work
together to facilitate the transfer of students from Community College of Baltimore
County to Towson University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.

8. This MOU will be in effect initially for five years, beginning fall 2016, with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.

9. Towson University will establish procedures to provide information on the academic progress of Community College of Baltimore County students enrolled as part of this MOU.

10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

### Non-Core Program Requirements

| 47-48 |

### Total Degree Requirements at CCBC

| 69-70 |

### Maximum Credits in Transfer

| 64 |

---

*64 credit transfer maximum. 18 Core Curriculum units must be completed at Towson University (see page 2).*

*If a student completes more GenEd coursework at CCBC than is required for the AAS degree, these credits may be used to satisfy the appropriate Towson Core requirements. The credits of EMST courses, except for 3 credits of practicum coursework, may be reduced to maintain the 64 credit maximum if necessary.*

---

**Note:** Credit students who are new to college (have not successfully completed college coursework at other institutions) are required to take ACDV 101 in the first semester at CCBC. This is a 1-credit class, and it does not count towards the number of credits required for a degree or certificate. Students are required to provide an official transcript(s) to document successful completion of college coursework at another institution(s).
