

MEMORANDUM OF UNDERSTANDING FREDERICK COMMUNITY COLLEGE & TOWSON UNIVERSITY

May 10, 2012

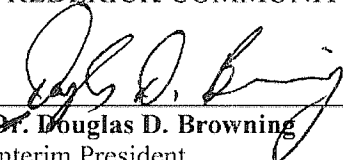

Electronic Media and Film: Film/Video/Digital Media Concentration B.S. Degree

Frederick Community College in Frederick, Maryland, and Towson University, agree to follow the articulation of courses outlined in the articulation (course equivalency) document, for completion of requirements for the Bachelor of Science degree in Electronic Media and Film: Film/Video/Digital Media Concentration (Attachment A), which is attached to, and incorporated by reference into, this Memorandum of Understanding (MOU). The following principles guide the operation of this MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

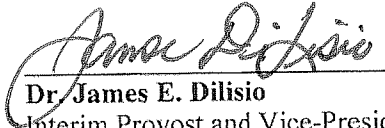

1. Towson University will accept a maximum number of 64 credits from Frederick Community College as outlined in the Attachment A. The number of transferable credits specific to this program is reflected in Attachment A.
2. Students who have completed the Associate of Arts Degree in the Digital Media Design program at Frederick Community College may transfer into Towson University's Electronic Media and Film: Film/Video/Digital Media Concentration with junior standing provided that the student has completed all courses identified on Attachment A (which is attached to, and incorporated by reference into, this MOU) with a cumulative GPA of 2.00 or higher and that the student has completed the *three* lower level EMF courses listed in the attached articulation document with a GPA of 3.00 or higher. Courses completed at Frederick Community College with 300 or 400 level Towson University course equivalencies will transfer as lower-level credit but will satisfy course content provided that the student validates the course with a higher level course for which the transferred course is a prerequisite.
3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major at Towson University.
4. In accordance with the MHEC transfer policy pertaining to general education requirements, Towson University will accept the completion of Frederick Community College general education requirements (GenEds) and students will be required to complete courses at Towson University to satisfy the remaining University *Core* Curriculum requirements as shown in Attachment A.
5. Towson University recognizes college-level experiential learning gained through previous work, military and/or volunteer service or life experience. Credit for prior learning may also be established through course challenge or standardized credit by examination.

6. Frederick Community College students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic scholarships upon entrance to Towson University subject to stated scholarship deadlines.
7. Both Frederick Community College and Towson University agree to work together to facilitate the transfer of students from Frederick Community College to Towson University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.
8. This MOU will be in effect initially for ten years, beginning *fall 2012* with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
9. Towson University will establish procedures to provide information on the academic progress of Frederick Community College students enrolled as part of this MOU.
10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

FREDERICK COMMUNITY COLLEGE AND TOWSON UNIVERSITY

Dr. Douglas D. Browning
 Interim President
 Date 6/11/2012

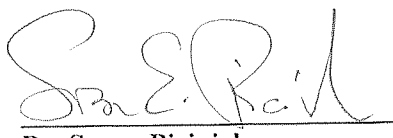

Dr. James E. Dilisio
 Interim Provost and Vice-President for
 Academic Affairs
 Date 6/19/12
