Payment Notes:
Tuition and fees are subject to change by the Board of Regents at any time. A late fee of $30 will be assessed for any billing statement not satisfied by the payment due date as indicated on the statement.

Payment of the electronic transaction fee (if applicable) is the responsibility of the student and is due at the time the registration is processed. Notification that an official bill has been issued is communicated to each student via their TU campus email. Failure to pay or provide financial aid or third party disbursement to cover the full tuition balance does not change the financial obligation, including any late payment assessment, and may result in the cancellation of your class schedule. If you do not receive an e-bill notification at least one week prior to your payment due date, contact the Owner's Office.

For more information, see our registration and billing schedule or access our payment and tuition refund schedule.
