

Project Management Professional (PMP®) Certification Prep Course

The PMP® certification is considered the gold standard certification for project managers. It proves you have acquired the skills to lead projects for any organization, in any industry.

TOP FIVE BENEFITS OF A PMP® CERTIFICATION

7% increase job growth for project managers through 2033.

25 million increase in number of jobs through 2033.

DO YOU QUALIFY?

Before you sit for the certification, you must meet certain educational and work requirements.

IF YOU HAVE A FOUR YEAR COLLEGE DEGREE

36 months of project management experience.

35 hours of project management education training.

IF YOU HAVE AN ASSOCIATE DEGREE OR HIGH SCHOOL DIPLOMA

60 months of project management experience.

35 hours of project management education training.

The PMP® Certification Prep Course from Towson University Continuing and Professional Studies helps you meet the training hours and prepares you to sit for the certification exam.
