Towson University is committed to positive impacts, making a difference, and transforming lives in Greater Baltimore and beyond—but we don’t do this work alone. We do it through partnerships.

**BTU GOALS**

- Support faculty, staff, and students engaging in partnership work
- Listen and serve as a front door for external organizations
- Identify, capture, and determine the scope of partnerships and collaborations
- Coordinate campus resources
- Evaluate impacts and outcomes
- Align TU’s work for greater impact
- Recognize and reward this work
