

Instructor Training Center (ITC) Services

Towson University Cisco Academy Support & Training Center provides extensive instructor training and professional development opportunities. New instructor training is required for each NetAcad class that leads to an industry certification.

New Instructor Training		Industry Certification	Course Length (Days)	ASC Price	Non-ASC Price
Online	NOTE: For all training classes we require a <i>four-person minimum</i> to conduct the class. If we are not able to reach four enrollments, the class will be rescheduled.				
	NOTE: All classes will be held as online sessions only.
