Online Adobe Certified Professional Course

220 Hours / 12 Months

Course Description
There is a strong demand for Adobe Creative Suite skills. In the Adobe Certified Associate course, you will learn five of the most often-used Adobe programs: Dreamweaver, Illustrator, Photoshop, InDesign, and Animate (formerly Flash). During this course, you will read short passages, complete exercises and watch video demos and reviews of exercises, take quizzes and exams, and complete a project.

By focusing on these five programs, you will learn how to put all the parts and pieces together to develop the Adobe Creative Suite skills needed to be professionals in the design field. This course includes a voucher to take the certifying exam. Additional proctor fees may apply.
