

EMPLOYER ENGAGEMENT

The Career Center provides a full complement of opportunities for employers to connect with the talent they desire.

On-Campus Recruiting (OCR) Interviews

The Career Center's **On-Campus Recruiting (OCR) Program** consists of a systematic interview scheduling process using **Handshake**. It is designed to effectively connect employers with eligible candidates to interview for full-time and internship opportunities during the fall and spring semesters.

Information Sessions

Information sessions, typically held in conjunction with an on-campus recruiting interview date, are offered in the fall and spring to employers interested in connecting with TU students to recruit for full-time job and internship opportunities.

Career and Internship Fairs

The Career Center holds a **Career and Internship Fair** each semester featuring 200+ employers and 1,000+ students. TU also holds a number of targeted and industry-specific fairs each year.

Information Tables

The **Career Center Information Table** is available Wednesdays and Thursdays in the fall and spring semesters to employers who are interested in connecting with TU students to recruit for full-time, part-time and internship opportunities.

Job Postings

Gain access to 22,000+ hard-working TU students through Handshake—your venue to advertise full-time, part-time, internship and seasonal/temporary positions. Postings are always free and remain active for 30 days.

Networking Events

Gain exposure with students through various career-themed events throughout the academic year such as panel discussions, mock interviews, and the Professional Etiquette & Networking Dinner.

Partnership Program

A year-long opportunity to package recruitment activities to maximize on-campus visibility with students.
