Dear Ms. Smith:

My name is Mary Land and I am a student at Towson University. I found your information through the Career Center’s Career Mentor Database and was hoping you would share some of your story with me. I am currently majoring in environmental science, and I think that working for the Chesapeake Bay Foundation is very fascinating. As I am in the process of defining my own career direction, I would love to hear about your career journey and what you do in your role as a restoration specialist.

I am available to connect either on the phone (410-555-5555), by email (mland9874239@students.towson.edu), or in person, whichever option is more convenient for you. Thank you so much for your time, and I look forward to hearing more about what you do.

Thank you,

Mary Land
