KNOWLEDGE
- Complete a Myers-Briggs Type Indicator, Strong Interest, or O*NET assessment to determine your strengths and possible careers or majors to pursue.
- Identify career ready skills gained through past part-time jobs, student organizations, and community service.
- Make a Career Counseling appointment if you still need help finding your direction.
- Attend a financial literacy workshop.

NETWORK
- Conduct informational interviews with professionals in your field(s) of interest through Tiger Mentor Network.
- Participate in job shadowing or a site visit.
- Find peers with similar interests to share in your college experiences.
- Consider attending Retreat for Social Justice.
- Engage with your Career Community Coach.

CAREER READY
- Consider taking EDUC121 Personal Life & Planning to learn about decision making and how to better prepare for life after college.
- Review the NACE Career Ready Skills page on the Career Center Website and get ideas for how to develop them.
- Attend the Professional Etiquette and Networking Dinner to start developing professional habits.
- Attend an iLead workshop or LeaderShape Institute.
- Consider running for a student organization leadership position.
- Meet with your academic advisor to create your Degree Completion Plan.
- Identify some alternate routes/detours in case you encounter a roadblock in your plan.
