Values and CliftonStrengths

List each of your top 5 values in the Values column of the chart below. For each value, list out as many of your top 5 CliftonStrengths that relate to that value in the CliftonStrengths column. In the final column, give an example of a time you prioritized that value and used one of the strength themes listed.

Value	CliftonStrengths Theme(s)	Example
Example: *Family-oriented*	*Arranger* *Empathy* *Developer*	*I chose to look for positions with a flexible work schedule because I <u>enjoy flexible planning</u> and it would allow me <u>more time to spend with family</u> when they are available.*
