Application for Admission to the Accounting Major or Accounting Accelerated B.S./M.S.  
(CATALOG YEAR 2016-2017 or Later)

Read the following information carefully before completing both sides of the application.

Admission to the Accounting Major Policies:
- Admission to Towson University (TU) does not guarantee admission to the Accounting major or the Accounting Accelerated B.S./M.S. program.
- Students are designated as “pre-Accounting” (PACT) until admitted into the major. If your classification is not listed as PACT, change your major online by completing the Change of Major/Minor Form before submitting the completed application.
- PACT students are not eligible to enroll in upper-level CBE courses unless they have received an “accepted” admission email or special permission in writing from the chairperson of the Department of Accounting.
- PACT students may only repeat TWO of the lower-level required courses, of which only one may be repeated twice. Before making a third attempt of a course, approval must be received from Academic Standards. Complete a Third Attempt Petition DocuSign Form to initiate this request.
