

Map to Linthicum Hall on the Towson University Campus.

The Allied Health Program office is Linthicum Hall 121.

Phone: 410-704-4049.

Link to directions to campus: <http://www.towson.edu/main/maps/>

Park in the Towsontown Garage. Enter campus from Towsontown Blvd. and turn onto University Avenue. When you are driving down University Ave you will see the garage on your left. Turn left so that you can enter the garage, and go in the Middle opening. The first is for faculty. You will need to stop at the small parking meter machine to the right as you enter the garage and make sure to put in enough money for your visit. Plan at least one hour for a meeting with the Program Director. In order to reach Linthicum Hall it is easiest to cut through the Liberal Arts Building, and walk up some stairs. The Psychology Building will be in front of you to the right, and Linthicum Hall to the left. Walk up more stairs so that you can enter Linthicum Hall from the front.
