Outstanding Senior Honorable Mentions

Muffadal Anis
Sport Management Major
Post-Grad Plans:
Currently I am trying to get a full-time internship position with an NFL team or a full-time position with an MLS team. I'm very interested in the community relations and marketing sectors of the industry so those are the positions I'm targeting.

Jennifer Balzan
Physical Education Major
Post-Grad Plans:
My post-grad plans are to get my Master's degree in Health Education, get my soccer coaching certification and work as a health and physical educator and soccer coach on Long Island.

Josh Berenbach
Athletic Training Major
Post-Grad Plans:
Accepted a full time position as a strength & conditioning coach. I plan to pursue my masters within the year while continuing to work full time.
Outstanding Senior Honorable Mentions

LaDarian Blake
Sport Management Major
Post-Grad Plans:
I am currently working as a recreation specialist with Queen Anne’s County Parks and Recreation. I love it so far and hope to gain more experience in recreation before I pursue a career in collegiate athletics.

Brittany Cedenio
Sport Management Major
Post-Grad Plans:
Internship/entry level position

Zach Kelly
Athletic Training Major
Post-Grad Plans:
I am currently applying to various graduate assistant and entry-level athletic training positions, with the goal of working as an athletic trainer in collegiate athletics and eventually obtaining a Master’s degree somewhere under the “Sports Medicine” umbrella.
Outstanding Senior Honorable Mentions

Micki Quartucci
Sport Management Major
Post-Grad Plans:
Membership Services Coordinator at the Aberdeen IronBirds

Julia Smith-Harrington
Exercise Science Major
Post-Grad Plans:
I am going home to Oregon for a gap year to gain experience and observation hours in various physical therapy settings before applying to graduate programs in the fall.
