

**Towson University**

**Department of Occupational Therapy & Occupational Science**

**Confirmation of Fieldwork Educator's Professional Qualifications**

In order to comply with accreditation standards of the Accreditation Council for Occupational Therapy Education (ACOTE), the department must verify that each fieldwork educator is qualified to supervise Level II students. Please assist us by completing this form and returning it along with the Fieldwork Performance Evaluation (FWPE) and Student Evaluation of Fieldwork Experience (SEFWE).

I, \_\_\_\_\_ confirm that \_\_\_\_\_  
**Fieldwork Site Coordinator (Print)** **Fieldwork Educator Name and License #**  
has a minimum of one year of practice experience subsequent to initial certification, is currently licensed and is adequately prepared to serve as a fieldwork educator. For Fieldwork sites outside the United States, the occupational therapist is a graduate of a program approved by the World Federation of Occupational Therapists and has 1 year of experience in practice.
