CLA Agenda: May 1, 2018, 3:30 pm, CLA 2214 (Dean’s Conference Room)

1. Consideration/Approval of April minutes

2. Dean’s Notes

3. Diversity Plan: This will be something to take up in earnest in the Fall, IF we decide to do so at our meeting. So that’s what the topic is: whether to start the 2018/19 year with this on the docket. Some details:

   a. Do we want to make a diversity committee? This will become a standing committee like P&T, Curriculum, etc.—not an ad hoc kind of thing.

   b. If so, do we take advantage of the occasion of putting through the process another standing committee, the research committee that we talked about?

   c. Do we want to create “diversity liaisons,” to be discussed and possibly defined at the meeting? For all of three items, the CLA Council will have to affirm the decision.

   Next year.
