
Who provides care, who is deemed worthy of care, and what constrains care?

GEOGRAPHIES OF HEALTH

GEOG 329/652

SPRING 2024

Tues/Thurs 3:30pm

Dr. Kelsey Hanrahan

khanrahan@towson.edu

This course examines the relationships between **capitalism**, **heteropatriarchy**, **racism**, & the construction of **health & care inequities** within our society and around the world.
