NOV. 12, 6 P.M. – UNION BALLROOMS

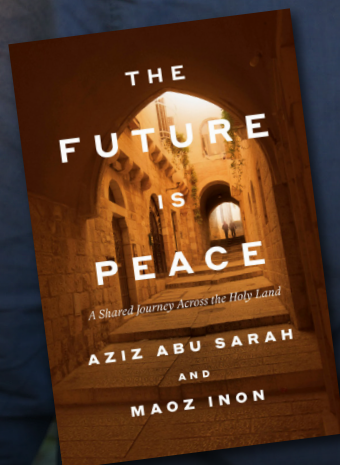

Palestinian and Israeli activists,
Aziz Abu Sarah and Maoz Inon
In Dialogue

Abu Sarah and Inon have brought their urgent message to the United Nations, the European Parliament, the Pope, and the TED mainstage. Their transformative events ask, “How can we deal with conflict? What do we do when two histories and narratives collide?”

They urge audiences to ask difficult questions, to be honest but respectful, and to strive for reconciliation over agreement. Please join us on November 12th to hear their stories.
