Towson University Department of Music
Registration Acknowledgement
Music Course, Ensemble, Recital and Lesson Authorizations

I understand that if I do not enroll for music classes (MUSC, MUED, MUSA) by the Department of Music established deadline, thus allowing the authorizations to expire, I forfeit my ability to request reauthorization and late enrollment.

This policy does not apply to the following student cohorts:

♦ Students with documented transcript holds;

♦ Students with documented immunization holds (or documentation as it relates to other medical issues which would prevent students from enrolling by the established deadline;

♦ Students with documented account holds.

I am also aware that if I do not register by the established deadline and, cannot enroll for MUSC, MUED, and/or MUSA courses, my graduation date may be delayed.

My signature below will serve as an agreement among the Department of Music, the Department of Music advising committee, and me.
