

# TOPS Community Expectations

*We aspire to be a community that values:*

## **PREPARATION:**

Preparation is like preventative action. Being prepared allows us to envision the challenges we face and act to overcome them. We believe that preparing today brings a brighter tomorrow.

## **HIGH EXPECTATIONS:**

We believe that setting high standards for ourselves and each other leads to excellence. As we excel individually, we excel as a community.

## **DIVERSITY:**

In our community, we celebrate diverse experiences and perspectives. We assume positive intentions and encourage the open exchange of ideas.

## **RESPECT:**

We treat each other with compassion, empathy, and fairness. We value each other for who we are and what we bring to the world.

## **SUPPORT:**

We support each other. We listen to each other, encourage each other, and care for each other. We are personally and collectively responsible for the success of every individual.
